RE: House Bill No. 2640

Dear Representative Sloan:

Please accept the late-filed testimony of the Citizens' Utility Ratepayer Board (CURB) in support of House Bill No. 2640. Due to a severely busy schedule and scheduling conflicts, CURB was unable to file its support for House Bill No. 2640 by its deadline. This was not meant to slight the importance of the work of the Kansas House Water and Environment Committee. We apologize for our inability to meet the deadline. CURB did file testimony in support of Senate Bill No. 385 (a companion bill to House Bill No. 2640). That testimony is attached.

Thank you for your consideration. Also, thank you for your service to the State of Kansas.

Sincerely,

A handwritten signature in cursive script that reads "David W. Nickel".
