RE: **SB 415** *Regarding Kansas State Fairgrounds Sales Tax*

I am writing in support of SB 415 regarding the deposit of all state sales tax revenues from sales on the Kansas State Fairgrounds into the State Fair Capital Improvement Fund.

This would allow not only for needed improvements to be made to the Fairgrounds, but would allow for the Kansas State Fair to build the infrastructure necessary for being a progressive Fair and having those components in place for relevant events and activities that best compliment the State of Kansas.

It would help the Kansas State Fair to fulfill its mission to promote and showcase Kansas agriculture, industry, and culture; to create opportunity for commercial activity; and, to provide an educational and entertaining experience that is the pride of all Kansans.

Sincerely,

Susan Sankey

Director of Development
