Bill Number: Bill SCR1611
Testimony by: Barbara Johnston

In Opposition
Testimony: Written Only

Dear Chairman Bud Estes and the members of the Senate Committee on Federal and State Affairs:

I am writing to voice my opposition SCR1611: Making application to the U.S. congress to call a convention of the states. The U.S. Constitution has served citizens well for over 200 years. If changes are needed, the method of states approving an amendment is a useful way of enacting laws or policies to benefit the country. Convening another Constitutional Convention is a foolish endeavor in my judgment.

I ask that you oppose SCR1611. The way we amend the US Constitution has worked well for over 200 years and we should keep amending it in the same way.

Thank you for your consideration,

Barbara Johnston
