The Honorable Troy Waymaster, Chairperson
House Committee on Appropriations
Statehouse, Room 111-N
Topeka, Kansas 66612

Dear Representative Waymaster:

SUBJECT: Fiscal Note for HB 2113 by House Committee on Appropriations

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2113 is respectfully submitted to your committee.

HB 2113 would exempt postsecondary educational institutions, the University of Kansas Medical Center, and any other buildings or grounds of the University of Kansas Hospital Authority from the requirement that carrying concealed handguns cannot be prohibited unless adequate security measures are in place.

According to the Board of Regents, the bill would allow universities and KUMC to continue current policies regarding carrying concealed handguns on campuses and KUMC grounds. As a result, HB 2113 would not have a fiscal effect on universities and KUMC.

Sincerely,

Shawn Sullivan,
Director of the Budget
