The "current dollar value" shall be calculated by-4 multiplying the percentage of preexisting impairment by the compensation 5 rate in effect on the date of the accident or injury against which the 6 reduction will be applied.

7 (B) In all other cases, the employer against whom benefits are 8 eurrently being sought shall be entitled to a credit for the percentage of 9 preexisting impairment.

 temporary or permanent partial general disability not exceeding a
 maximum of 415 weeks.

5 (1) Weekly compensation for temporary partial general disability 6 shall be $66^{2}/_{3}\%$ of the difference between the average weekly wage that the 7 employee was earning prior to the date of injury and the amount the 8 employee is actually earning after such injury in any type of employment. 9 In no case shall such weekly compensation exceed the maximum as 10 provided for in K.S.A. 44-510c, and amendments thereto.

11 (2) (A) Permanent partial general disability exists when the employee 12 is disabled in a manner which is partial in character and permanent in 13 quality and which is not covered by the schedule in K.S.A. 44-510d, and 14 amendments thereto. Compensation for permanent partial general 15 disability shall also be paid as provided in this section where an injury 16 results in:

(i) The loss of or loss of use of a shoulder, arm, forearm or hand of
one upper extremity, combined with the loss of or loss of use of a shoulder,
arm, forearm or hand of the other upper extremity;

(ii) the loss of or loss of use of a leg, lower leg or foot of one lower
extremity, combined with the loss of or loss of use of a leg, lower leg or
foot of the other lower extremity; or

23

(iii) the loss of or loss of use of both eyes.

(B) The extent of permanent partial general disability shall be the 24 25 percentage of functional impairment the employee sustained on account of the injury as established by competent medical evidence and based on the 26 fourth edition of the American medical association guides to the evaluation 27 28 of permanent impairment, if the impairment is contained therein, until 29 January 1, 2015, but for injuries occurring on and after January 1, 2015, based on the sixth edition of the American medical association guides to 30 31 the evaluation of permanent impairment, if the impairment is contained 32 therein.

33 (C) An employee may be eligible to receive permanent partial general
 34 disability compensation in excess of the percentage of functional
 35 impairment ("work disability") if:

(i) The percentage of functional impairment determined to be caused
 solely by the injury exceeds 7½% to the body as a whole or the overall functional impairment is equal to or exceeds 10% to the body as a whole
 in cases where there is preexisting functional impairment; and

40 (ii)— the employee sustained a post-injury wage loss, as defined in 41 subsection (a)(2)(E) of K.S.A. 44-510e(a)(2)(E), and amendments thereto, 42 of at least 10% which is directly attributable to the work injury and not to 43 other causes or factors. In such cases, the extent of work disability is determined by averaging
 together the percentage of post-injury task loss demonstrated by the
 employee to be caused by the injury and the percentage of post-injury
 wage loss demonstrated by the employee to be caused by the injury.

5 (D) "Task loss" shall mean the percentage to which the employee, in 6 the opinion of a licensed physician, has lost the ability to perform the work 7 tasks that the employee performed in any substantial gainful employment 8 during the five-year period preceding the injury. The permanent 9 restrictions imposed by a licensed physician as a result of the work injury shall be used to determine those work tasks which the employee has lost 10 the ability to perform. If the employee has preexisting permanent 11 12 restrictions, any work tasks which the employee would have been deemed to have lost the ability to perform, had a task loss analysis been completed 13 prior to the injury at issue, shall be excluded for the purposes of 14 15 calculating the task loss which is directly attributable to the current injury.

16 "Wage loss" shall mean the difference between the average (E) 17 weekly wage the employee was earning at the time of the injury and the 18 average weekly wage the employee is capable of earning after the injury. 19 The capability of a worker to earn post-injury wages shall be established 20 based upon a consideration of all factors, including, but not limited to, the 21 injured worker's age, physical capabilities, education and training, prior 22 experience, and availability of jobs in the open labor market. The 23 administrative law judge shall impute an appropriate post-injury average weekly wage based on such factors. Where the employee is engaged in 24 25 post-injury employment for wages, there shall be a rebuttable presumption that the average weekly wage an injured worker is actually earning 26 27 constitutes the post-injury average weekly wage that the employee is 28 capable of earning. The presumption may be overcome by competent 29 evidence.

(i) To establish post-injury wage loss, the employee must have the
legal capacity to enter into a valid contract of employment. Wage loss
caused by voluntary resignation or termination for cause shall in no way
be construed to be caused by the injury.

(ii) The actual or projected weekly value of any employer-paid fringe
benefits are to be included as part of the worker's post-injury average
weekly wage and shall be added to the wage imputed by the administrative
law judge pursuant to K.S.A. 44-510e(a)(2)(E), and amendments thereto.

(iii) The injured worker's refusal of accommodated employment
within the worker's medical restrictions as established by the authorized
treating physician and at a wage equal to 90% or more of the pre-injury
average weekly wage shall result in a rebuttable presumption of no wage
loss.

43

(F) The amount of compensation for whole body injury under this

1 section shall be determined by multiplying the payment rate by the weeks 2 payable. As used in this section: (1) The payment rate shall be the lesser 3 of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by $66^2/_3\%$; or (B) the maximum provided 4 5 in K.S.A. 44-510c, and amendments thereto; (2) weeks payable shall be 6 determined as follows: (A) Determine the weeks of temporary 7 compensation paid by adding the amounts of temporary total and 8 temporary partial disability compensation paid and dividing the sum by the payment rate above; (B) subtract from 415 weeks the total number of 9 10 weeks of temporary compensation paid as determined in (F)(2)(A), excluding the first 15 such weeks; and (3) multiply the number of weeks as 11 12 determined in (F)(2)(B) by the percentage of functional impairment pursuant to subsection (a)(2)(B) or the percentage of work disability 13 pursuant to subsection (a)(2)(C), whichever is applicable. 14

(3) When an injured worker is eligible to receive an award of work
disability, compensation is limited to the value of the work disability as
calculated above. In no case shall functional impairment and work
disability be awarded together.

19 The resulting award shall be paid for the number of disability weeks at 20 the payment rate until fully paid or modified. In any case of permanent 21 partial disability under this section, the employee shall be paid 22 compensation for not to exceed 415 weeks following the date of such 23 injury. If there is an award of permanent disability as a result of the 24 compensable injury, there shall be a presumption that disability existed 25 immediately after such injury. Under no circumstances shall the period of permanent partial disability run concurrently with the period of temporary 26 27 total or temporary partial disability.

28 (b) If an employee has sustained an injury for which compensation is 29 being paid, and the employee's death is caused by other and independent causes, any payment of compensation already due the employee at the 30 31 time of death and then unpaid shall be paid to the employee's dependents 32 directly or to the employee's legal representatives if the employee left no 33 dependent, but the liability of the employer for the payments of 34 compensation not yet due at the time of the death of such employee shall 35 cease and be abrogated by the employee's death.

36 (c) The total amount of compensation that may be allowed or 37 awarded an injured employee for all injuries received in any one accident 38 shall in no event exceed the compensation which would be payable under 39 the workers compensation act for 100% permanent total disability 40 resulting from such accident.

(d) Where a minor employee or a minor employee's dependents are
entitled to compensation under the workers compensation act, such
compensation shall be exclusive of all other remedies or causes of action

for such injury or death, and no claim or cause of action against the
 employer shall inure or accrue to or exist in favor of the parent or parents
 of such minor employee on account of any damage resulting to such parent
 or parents on account of the loss of earnings or loss of service of such
 minor employee.

6 (e) In any case of injury to or death of an employee, where the 7 employee or the employee's dependents are entitled to compensation under 8 the workers compensation act, such compensation shall be exclusive of all 9 other remedies or causes of action for such injury or death, and no claim or 10 action shall inure, accrue to or exist in favor of the surviving spouse or any relative or next of kin of such employee against such employer on account 11 of any damage resulting to such surviving spouse or any relative or next of 12 kin on account of the loss of earnings, services, or society of such 13 14 employee or on any other account resulting from or growing out of the 15 injury or death of such employee.

16 Sec. 5. K.S.A. 2016 Supp. 44-510h is hereby amended to read as 17 follows: 44-510h. (a) It shall be the duty of the employer to provide the 18 services of a health care provider, and such medical, surgical and hospital 19 treatment, including nursing, medicines, medical and surgical supplies, 20 ambulance, crutches, apparatus and transportation to and from the home of 21 the injured employee to a place outside the community in which such 22 employee resides, and within such community if the director, in the 23 director's discretion, so orders, including transportation expenses 24 computed in accordance with subsection (a) of K.S.A. 44-515(a), and 25 amendments thereto, as may be reasonably necessary to cure and relieve the employee from the effects of the injury. 26

27 (b) (1) If the director finds, upon application of an injured employee, 28 that the services of the health care provider furnished as provided in 29 subsection (a) and rendered on behalf of the injured employee are not 30 satisfactory, the director may authorize the appointment of some other 31 health care provider. In any such case, the employer shall submit the 32 names of two health care providers who, if possible given the availability 33 of local health care providers, are not associated in practice together. The 34 injured employee may select one from the list who shall be the authorized 35 treating health care provider. If the injured employee is unable to obtain 36 satisfactory services from any of the health care providers submitted by the 37 employer under this paragraph, either party or both parties may request the 38 director to select a treating health care provider.

(2) Without application or approval, an employee may consult a
health care provider of the employee's choice for the purpose of
examination, diagnosis or treatment, but the employer shall only be liable
for the fees and charges of such health care provider up to a total amount
of \$500. The amount allowed for such examination, diagnosis or treatment

shall not be used to obtain a functional impairment rating. Any medical
 opinion obtained in violation of this prohibition shall not be admissible in
 any claim proceedings under the workers compensation act.

4 (c) An injured employee whose injury or disability has been 5 established under the workers compensation act may rely, if done in good 6 faith, solely or partially on treatment by prayer or spiritual means in 7 accordance with the tenets of practice of a church or religious 8 denomination without suffering a loss of benefits subject to the following 9 conditions:

10 (1) The employer or the employer's insurance carrier agrees thereto in 11 writing either before or after the injury;

(2) the employee submits to all physical examinations required by theworkers compensation act;

(3) the cost of such treatment shall be paid by the employee unlessthe employer or insurance carrier agrees to make such payment;

(4) the injured employee shall be entitled only to benefits that would
 reasonably have been expected had such employee undergone medical or
 surgical treatment; and

(5) the employer or insurance carrier that made an agreement under
paragraph (1) or (3) of this subsection may withdraw from the agreement
on 10 days' written notice.

22 (d) In any employment to which the workers compensation act 23 applies, the employer shall be liable to each employee who is employed as a duly authorized law enforcement officer, firefighter, driver of an 24 25 ambulance as defined in subsection (b) of K.S.A. 65-6112(d), and amendments thereto, an ambulance attendant as defined in subsection (d) 26 of K.S.A. 65-6112(d), and amendments thereto, or a member of a regional 27 28 emergency medical response team as provided in K.S.A. 48-928, and 29 amendments thereto, including any person who is serving on a volunteer basis in such capacity, for all reasonable and necessary preventive medical 30 31 care and treatment for hepatitis to which such employee is exposed under 32 circumstances arising out of and in the course of employment.

33 (e) It is presumed that the employer's obligation to provide theservices of a health care provider, and such medical, surgical and hospital 34 35 treatment, including nursing, medicines, medical and surgical supplies,-36 ambulance, crutches, apparatus and transportation to and from the home of 37 the injured employee to a place outside the community in which suchemployee resides, and within such community if the director, in the-38 39 director's discretion, so orders, including transportation expenses computed in accordance with subsection (a) of K.S.A. 44-515, and 40 amendments thereto, shall terminate upon the employee reaching-41 maximum medical improvement. Such presumption may be overcome-42 43 with medical evidence that it is more probably true than not that additional

1 medical treatment will be necessary after such time as the employee-

2 reaches maximum medical improvement. The term "medical treatment" as 3 used in this subsection (e) means only that treatment provided or-4 prescribed by a licensed health care provider and shall not include home 5 exercise programs or over-the-counter medications.

6 Sec. 6. K.S.A. 2016 Supp. 44-510k is hereby amended to read as 7 follows: 44-510k. (a) (1) At any time after the entry of an award for 8 compensation-wherein future medical benefits were awarded, the 9 employee, employer or insurance carrier may make application for a hearing, in such form as the director may require for the furnishing-10 termination or modification of medical treatment. Such post-award hearing 11 shall be held by the assigned administrative law judge, in any county 12 designated by the administrative law judge, and the judge shall conduct the 13 hearing as provided in K.S.A. 44-523, and amendments thereto. 14

15 (2) The administrative law judge can-(A) make an award for further 16 medical care if the administrative law judge finds that it is more probably 17 true than not that the injury which was the subject of the underlying award 18 is-the prevailing a substantial factor in the need for further medical care 19 and that the care requested is necessary to cure or relieve the effects of 20 such injury, or (B) terminate or modify an award of current or future-21 medical care if the administrative law judge finds that no further medical 22 eare is required, the injury which was the subject of the underlying award 23 is not the prevailing factor in the need for further medical care, or that the 24 care requested is not necessary to cure or relieve the effects of such injury.

25 (3) If the claimant has not received medical treatment, as defined in subsection (e) of K.S.A. 44-510h(e), and amendments thereto, from an 26 27 authorized health care provider within two years from the date of the 28 award or two years from the date the claimant last received medical 29 treatment from an authorized health care provider, the employer shall be 30 permitted to make application under this section for permanent termination 31 of future medical benefits. In such case, there shall be a presumption that 32 no further medical care is needed as a result of the underlying injury. The 33 presumption may be overcome by competent medical evidence.

(4) No post-award benefits shall be ordered, modified or terminated
without giving all parties to the award the opportunity to present evidence,
including taking testimony on any disputed matters. A finding with regard
to a disputed issue shall be subject to a full review by the board under
subsection (b) of K.S.A. 44-551(b), and amendments thereto. Any action
of the board pursuant to post-award orders shall be subject to review under
K.S.A. 44-556, and amendments thereto.

(b) Any application for hearing made pursuant to this section shall
receive priority setting by the administrative law judge, only superseded
by preliminary hearings pursuant to K.S.A. 44-534a, and amendments

1 thereto. The parties shall meet and confer prior to the hearing pursuant to

2 this section, but a prehearing settlement conference shall not be necessary. 3 The administrative law judge shall have authority to award medical 4 treatment relating back to the entry of the underlying award, but in no 5 event shall such medical treatment relate back more than six months 6 following the filing of such application for post-award medical treatment. 7 Reviews taken under this section shall receive priority settings before the 8 board, only superseded by reviews for preliminary hearings. A decision 9 shall be rendered by the board within 30 days from the time the review 10 hereunder is submitted.

(c) The administrative law judge may award attorney fees and costs on the claimant's behalf consistent with subsection (g) of K.S.A. 44-536(g), and amendments thereto. As used in this subsection, "costs" include, but are not limited to, witness fees, mileage allowances, any costs associated with reproduction of documents that become a part of the hearing record, the expense of making a record of the hearing and such other charges as are by statute authorized to be taxed as costs.

Sec. 7. K.S.A. 2016 Supp. 44-520 is hereby amended to read as follows: 44-520. (a) (1) Proceedings for compensation under the workers compensation act shall not be maintainable unless notice of injury by accident or repetitive trauma is given to the employer by the earliest of the following dates:

 $\begin{array}{cccc} 23 & (A) & 20 & 30 \end{array} \text{ calendar days from the date of accident or the date of} \\ 24 & \text{ injury by repetitive trauma;} \end{array}$

(B) if the employee is working for the employer against whom benefits are being sought and such employee seeks medical treatment for
 any injury by accident or repetitive trauma, 20 calendar days from the date
 such medical treatment is sought; or

(C) if the employee no longer works for the employer against whom
 benefits are being sought, 10 calendar days after the employee's last day of
 actual work for the employer.

32

Notice may be given orally or in writing.

(2) Where notice is provided orally, if the employer has designated an
individual or department to whom notice must be given and such
designation has been communicated in writing to the employee, notice to
any other individual or department shall be insufficient under this section.
If the employer has not designated an individual or department to whom
notice must be given, notice must be provided to a supervisor or manager.

39 (3) Where notice is provided in writing, notice must be sent to a
40 supervisor or manager at the employee's principal location of employment.
41 The burden shall be on the employee to prove that such notice was actually
42 received by the employer.

43 (4) The notice, whether provided orally or in writing, shall include

1 the time, date, place, person injured and particulars of such injury. It must 2 be apparent from the content of the notice that the employee is claiming 3 benefits under the workers compensation act or has suffered a work-related 4 injury.

5 (b) The notice required by subsection (a) shall be waived if the 6 employee proves that: (1) The employer or the employer's duly authorized 7 agent had actual knowledge of the injury; (2) the employer or the 8 employer's duly authorized agent was unavailable to receive such notice within the applicable period as provided in paragraph (1) of subsection (a) 9 (1); or (3) the employee was physically unable to give such notice. 10

(c) For the purposes of calculating the notice period proscribed in 11 12 subsection (a), weekends shall be included.

13 Sec. 8. K.S.A. 2016 Supp. 44-523 is hereby amended to read as follows: 44-523. (a) The director, administrative law judge or board shall 14 not be bound by technical rules of procedure, but shall give the parties 15 16 reasonable opportunity to be heard and to present evidence, ensure the 17 employee and the employer an expeditious hearing and act reasonably 18 without partiality.

19 (b) Whenever a party files an application for hearing pursuant to 20 K.S.A. 44-534, and amendments thereto, the matter shall be assigned to an 21 administrative law judge for hearing and the administrative law judge shall 22 set a terminal date to require the claimant to submit all evidence in support 23 of the claimant's claim no later than 30 days after the first full hearing 24 before the administrative law judge and to require the respondent to submit 25 all evidence in support of the respondent's position no later than 30 days thereafter. An extension of the foregoing time limits shall be granted if all 26 27 parties agree. An extension of the foregoing time limits may also be 28 granted:

29 (1) If the employee is being paid temporary or permanent total 30 disability compensation;

31 (2) for medical examination of the claimant if the party requesting the 32 extension explains in writing to the administrative law judge facts showing 33 that the party made a diligent effort but was unable to have a medical 34 examination conducted prior to the submission of the case by the claimant 35 but then only if the examination appointment was set and notice of the 36 appointment sent prior to submission by the claimant; or

(3) on application for good cause shown.

38 (c) When all parties have submitted the case to an administrative law 39 judge for an award, the administrative law judge shall issue an award 40 within 30 days. The administrative law judge shall not stay a decision due to the absence of a submission letter. When the award is not entered in 30 41 42 days, any party to the action may notify the director that an award is not 43 entered and the director shall assign the matter to an assistant director or to

³⁷

1 a special administrative law judge who shall enter an award forthwith 2 based on the evidence in the record, or the director, on the director's own 3 motion, may remove the case from the administrative law judge who has 4 not entered an award within 30 days following submission by the party 5 and assign it to an assistant director or to a special administrative law 6 judge for immediate decision based on the evidence in the record.

7 (d) Not less than 10 days prior to the first full hearing before an 8 administrative law judge, the administrative law judge shall conduct a 9 prehearing settlement conference for the purpose of obtaining stipulations 10 from the parties, determining the issues and exploring the possibility that the parties may resolve those issues and reach a settlement prior to the first 11 12 full hearing.

13 (e) (1) If a party or a party's attorney believes that the administrative law judge to whom a case is assigned cannot afford that party a fair 14 hearing in the case, the party or attorney may file a motion for change of 15 16 administrative law judge. A party or a party's attorney shall not file more 17 than one motion for change of administrative law judge in a case. The administrative law judge shall promptly hear the motion informally upon 18 19 reasonable notice to all parties who have appeared in the case. Notwithstanding the provisions of K.S.A. 44-552, and amendments 20 21 thereto, the administrative law judge shall decide, in the administrative law 22 judge's discretion, whether or not the hearing of such motion shall be taken 23 down by a certified shorthand reporter. If the administrative law judge 24 disqualifies the administrative law judge's self, the case shall be assigned 25 to another administrative law judge by the director. If the administrative law judge refuses to disqualify the administrative law judge's self, the 26 27 party seeking a change of administrative law judge may, within 10 days of 28 the refusal, file an appeal with the workers compensation *appeals* board.

(2) The party or a party's attorney shall file with the workers 29 30 compensation *appeals* board an affidavit alleging one or more of the 31 grounds specified in subsection (e)(4).

32 (3) If a majority of the workers compensation *appeals* board finds 33 legally sufficient grounds, it shall direct the director to assign the case to 34 another administrative law judge.

35 (4) Grounds which may be alleged as provided in subsection (e)(2)36 for change of administrative law judge are that:

37 (A) The administrative law judge has been engaged as counsel in the 38 case prior to the appointment as administrative law judge.

39

The administrative law judge is otherwise interested in the case. (B)

40 41 (C) The administrative law judge is related to either party in the case. The administrative law judge is a material witness in the case.

(D)

The party or party's attorney filing the affidavit has cause to 42 (E) 43 believe and does believe that on account of the personal bias, prejudice or interest of the administrative law judge such party cannot obtain a fair and
 impartial hearing. Such affidavit shall state the facts and the reasons for
 the belief that bias, prejudice or an interest exists.

4 (5) In any affidavit filed pursuant to subsection (e)(2), the recital of 5 previous rulings or decisions by the administrative law judge on legal 6 issues or concerning prior motions for change of administrative law judge 7 filed by counsel or such counsel's law firm, pursuant to this subsection, 8 shall not be deemed legally sufficient for any belief that bias or prejudice 9 exists.

10 provisions of K.S.A. 44-556, (6) Notwithstanding the and amendments thereto, no interlocutory appeal to the court of appeals of the 11 workers compensation appeals board's decision regarding recusal shall be 12 13 allowed while the resolution of the claim for compensation is pending 14 before an administrative law judge or the workers compensation appeals 15 board.

16 (f) (1) In any claim that has not proceeded to a regular hearing, a 17 settlement hearing, or an agreed award under the workers compensation act within three years from the date of filing an application for hearing 18 19 pursuant to K.S.A. 44-534, and amendments thereto, the employer shall be 20 permitted to file with the division an application for dismissal based on 21 lack of prosecution. The matter shall be set for hearing with notice to the 22 claimant's attorney, if the claimant is represented, or to the claimant's last 23 known address. The administrative law judge may grant an extension for 24 good cause shown, which shall be conclusively presumed in the event that 25 the claimant has not reached maximum medical improvement, provided such motion to extend is filed prior to the three year limitation provided 26 27 for herein. If the claimant cannot establish good cause, the claim shall be 28 dismissed with prejudice by the administrative law judge for lack of 29 prosecution. Such dismissal shall be considered a final disposition at a full 30 hearing on the claim for purposes of employer reimbursement from the 31 fund pursuant to subsection (b) of K.S.A. 44-534a(b), and amendments 32 thereto.

33 (2) In any claim which has not proceeded to regular hearing within 34 one year from the date of a preliminary award denying compensability of 35 the claim, the employer shall be permitted to file with the division an 36 application for dismissal based on lack of prosecution. The matter shall be 37 set for hearing with notice to the claimant's attorney, if the claimant is 38 represented, or to the claimant's last known address. Unless the claimant 39 can prove a good faith reason for delay, the claim shall be dismissed with 40 prejudice by the administrative law judge. Such dismissal shall be 41 considered a final disposition at a full hearing on the claim for purposes of 42 employer reimbursement from the fund pursuant to-subsection (b) of-43 K.S.A. 44-534a(b), and amendments thereto.

1 (3) This section shall not affect any future benefits which have been 2 left open upon proper application by an award or settlement.

Sec. 9. K.S.A. 2016 Supp. 44-525 is hereby amended to read as 4 follows: 44-525. (a) Every finding or award of compensation shall be in 5 writing, signed and acknowledged by the administrative law judge and 6 shall specify the amount due and unpaid by the employer to the employee 7 up to the date of the award, if any, and the amount of the payments 8 thereafter to be paid by the employer to the employee, if any, and the 9 length of time such payment shall continue. No award shall include the right to future medical treatment, unless it is proved by the elaimant that it 10 is more probable than not that future medical treatment, as defined in-11 12 subsection (e) of K.S.A. 44-510h, and amendments thereto, will berequired as a result of the work-related injury. The award of the 13 14 administrative law judge shall be effective the day following the date 15 noted in the award.

16 (b) No award shall be or provide for payment of compensation in a 17 lump sum, except as to such portion of the compensation as shall be found to be due and unpaid at the time of the award, or except at the discretion of 18 19 the director on settlement agreements, and credit shall be given to the 20 employer in such award for any amount or amounts paid by the employer 21 to the employee as compensation prior to the date of the award.

22 (c) In the event the employee has been overpaid temporary total 23 disability benefits as described in-subsection (b) of K.S.A. 44-534a(b), and 24 amendments thereto, and the employee is entitled to additional disability 25 benefits, the administrative law judge shall provide for the application of a credit against such benefits. The credit shall first be applied to the final 26 27 week of any such additional disability benefit award and then to each 28 preceding week until the credit is exhausted.

Sec. 10. K.S.A. 2016 Supp. 44-501, 44-508, 44-510c, 44-510e, 44-29 510h, 44-510k, 44-520, 44-523 and 44-525 are hereby repealed. 30

Sec. 11. This act shall take effect and be in force from and after its 31 32 publication in the statute book.

3
