

Definition of “Municipality”; Interlocal Cooperation; HB 2094

HB 2094 expands the definition of “municipality” in the statute allowing contracts between municipalities to include a school district, library district, road district, water district, drainage district, sewer district, fire district, park and recreation district, recreation commission, any other political or taxing subdivision, or any other authority, commission, agency, or quasi-municipal corporation created by state law. Previously, only a city, county, or township was included in the definition.

The bill also exempts from review by the Attorney General interlocal cooperation agreements entered into for joint or cooperative action that is subject to the oversight and regulation of a Kansas regulatory agency.
