(5) Each licensed insurance agent who is an individual and holds a life insurance license solely for the purpose of selling pre-need funeral insurance or annuity products shall file a report on or before such agent's biennial due date affirming that such agent transacted no other insurance business during the period covered by the report. Upon request of the commissioner, an agent shall provide certification from an officer of each insurance company which has appointed such agent that the agent transacted no other insurance business during the period covered by the report. Agents who have offered to sell or sold only pre-need funeral insurance are exempt from the requirement to obtain C.E.C.s.

(d) On and after the effective date of this act, each individual insurance agent who holds a license with both a property or casualty qualification, or both, and a life, accident and health or variable contracts qualification, or any combination thereof, and who earns C.E.C.s from courses certified by the commissioner as qualifying for credit in any class, may apply, at such insurance agent's option, such C.E.C.s toward either the property or casualty continuing education requirement or to the life, accident and health or variable contracts continuing education requirement. (f) (1) An individual insurance agent who has been licensed for more than one year, on or before such insurance agent's biennial due date, shall file a report with the commissioner certifying that such insurance agent has met the continuing education requirements for the previous biennium ending on such insurance agent's biennial due date. Each individual insurance agent shall maintain a record of all courses attended together with a certificate of attendance for the remainder of the biennium in which the courses were attended and the entire next succeeding biennium.

(2) If the required report showing proof of continuing education completion is not received by the commissioner by the individual insurance agent's biennial due date, such individual insurance agent's qualification and each and every corresponding license shall be suspended automatically for a period of 90 calendar days or until such time as the producer satisfactorily demonstrates completion of the continuing education requirement whichever is sooner. In addition the commissioner shall assess a penalty of \$100 for each license suspended. If such insurance agent fails to furnish to the commissioner the required proof of continuing education completion and the monetary penalty within 90 calendar days of such insurance agent's biennial due date, such individual insurance agent's qualification and each and every corresponding license shall expire on such insurance agent's biennial due date. If after more than three but less than 12 months from the date the license expired, the insurance agent wants to reinstate such insurance agent's license, such individual shall provide the required proof of continuing education completion and pay a reinstatement fee in the amount of \$100 for each license suspended. If after more than 12 months from the date an insurance agent's license has expired, such insurance agent wants to reinstate such insurance agent's license, such individual shall apply for an insurance agent's license, provide the required proof of continuing education completion and pay a reinstatement fee in the amount of \$100 for each license suspended. Upon receipt of a written application from such insurance agent claiming extreme hardship, the commissioner may waive any penalty imposed under this subsection.

(3) On and after the effective date of this act, any applicant for an individual insurance agent's license who previously held a license which expires on or after June 30, 2001, because of failure to meet continuing education requirements and who seeks to be relicensed shall provide evidence that appropriate C.E.C.s have been completed for the prior biennium.

(4) Upon receipt of a written application from an individual insurance agent, the commissioner, in cases involving medical hardship or military service, may extend the time within which to fulfill the minimum continuing educational requirements for a period of not to exceed 180 days.

(5) This section shall not apply to any inactive insurance agent during the period of such inactivity. For the purposes of this paragraph, "inactive period" or "period of inactivity" shall mean a continuous period of time of not less than two years and not more than four years starting from the date inactive status is granted by the commissioner. Before returning to active status, such inactive insurance agent shall:

(A) File a report with the commissioner certifying that such agent has met the continuing education requirement; and

(B) pay the renewal fee. If the required proof of continuing education completion and the renewal fee is not furnished at the end of the inactive period, such individual insurance agent's qualification and each and every corresponding license shall expire at the end of the period of inactivity. For issuance of a new license, the individual shall apply for a license and pass the required examination.

(6) Any individual who allows such individual's insurance agent license in this state and all other states in which such individual is licensed as an insurance agent to expire for a period of four or more consecutive years, shall apply for a new insurance agent license and pass the required examination.

(3) Upon receipt of such information, the commissioner shall grant or deny certification of any submitted course, program of study or subject as an approved subject, program of study or course and indicate the number of C.E.C.s that will be recognized for each approved course, program of study or subject. Each approved course, program of study or subject shall be assigned by the commissioner to one or both of the following classes:
