

2018 Kansas Statutes

65-3304. Same; administration and allocation. The secretary shall allocate and administer grants to municipalities from such account in the same manner as federal funds for water pollution control projects are allocated and only those projects eligible for federal financial assistance shall be eligible for state financial assistance. The determination of the relative need and the priority of projects shall be consistent with the provisions of public law 660 of the 84th congress, as amended [*].

History: L. 1970, ch. 263, § 4; L. 1974, ch. 352, § 153; July 1.

* For present act concerning water pollution control, see 33 U.S.C. § 1251 et seq.
