iGrad Report for Kansas Kids @ GEAR UP Supported by Wichita State University

1/15/2020

Transcript Summary for Jasmine

Dear Jasmine:

Our records show that you started high school in **Fall 2016**. With this start date, we project you will graduate **Spring 2020**. Our latest school records show you are attending **Topeka High**. Based on your high school start date of **Fall 2016**, you should be enrolling in your **7th of 8 semesters**. You have a cumulative GPA of **2.6341** and you have earned **18.5** credits. You need **7.5** credits.

This transcript summary report is based on records we have been able to obtain from schools you have attended. We show you have attended **3** high school(s). If you feel you have more credits than this or attended more schools, call us at 785.233.8732 or email us at igrad@keys.org.

Jasmine, if you decide to graduate with **Topeka High's** required credits, you will need to follow their **24** credit requirements. Because you have been in state custody, you are eligible to graduate with 21 credits under Senate Bill 23. Our analysis is based on SB23. The table below shows what you have earned and still need. SB23 allows you to graduate with 4 credits in English, 3 credits in Math, 3 credits in Science, 3 credits in Social Studies (.5 must be Government), 1 credit in Art, 1 in PE and 6 Elective credits. The table below shows these requirements. As of January 2019, we show you still need:

Credits Earned vs Credits Needed	SB23 Req.	English (4)	Math (3)	Science (3)	Soc Stud (3)	Art (1)	PE (1)	Electives (6)	Total (21)
	Earned		1.5	1.5	2	1.5	0	1	11
Need		2.5	1.5	1	1.5	1	0	0	7.5

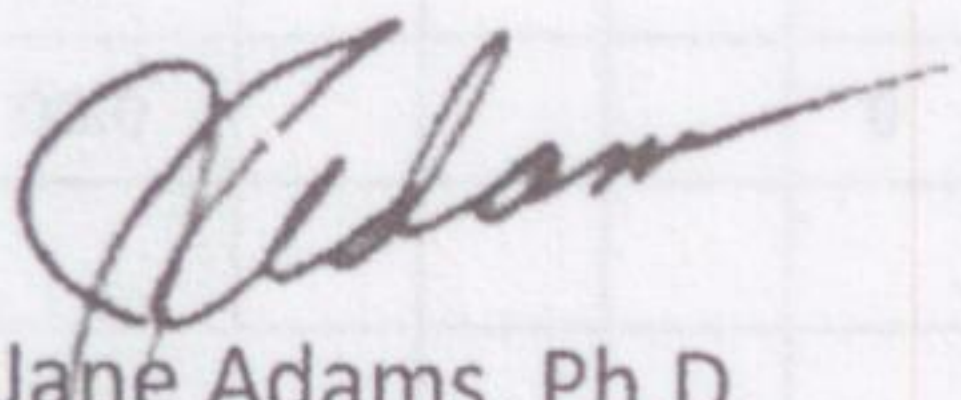

Check your Need row above and make sure your current schedule includes classes that meet these requirements.

To graduate **Spring 2020**, you must have the required core credits for SB23 (listed above) and have 21 credits. Jasmine, please take this report to your high school counselor and your GEAR UP representative. Ask them to 1) verify this is what you need, 2) consider if any of your elective credits can be counted as core credits, and 3) determine when you may expect to graduate.

Should you or your counselor have questions, we will provide you with our more detailed analysis. Best wishes for your academic future.

Keys is a nonprofit youth, parent information and support network serving Kansas families since 1987. Our contract with Kansas Kids @ GEAR UP allows us to provide this information.

Sincerely,

Jane Adams, Ph.D.
Executive Director
