**MEMORANDUM**

To: House Committee on Judiciary  
From: Natalie Scott, Assistant Revisor of Statutes  
Date: January 23, 2020  
Subject: Bill Brief on HB 2450

HB 2450 adds electronic cigarettes to the Kansas clean indoor air act.

Section 1 amends K.S.A. 21-6109 to add a definition of “electronic cigarette” which will mean a battery-operated device, whether or not such device is shaped like a cigarette, that can provide inhaled doses of nicotine by delivering a vaporized solution by means of cartridges or other chemical delivery systems. The bill also adds use of an electronic cigarette to the definition of smoking.
