

Members of the House Federal and State Affairs and Senate Judiciary Committees,

I ask you to vote no on the constitutional amendment that denies the right to reproductive freedom in the Kansas Constitution.

It is unfathomable, yet totally predictable, that as soon as our state has crawled it's way back from a financial crisis, we would find ourselves once again fighting to validate women's healthcare. The passage of this amendment could lead us down a path resulting in a multi-generational poverty cycle and public health crisis. So...

^\_^  
(='\_')  
(, (") (") ... could you not?

Sincerely,

Whitney Yadrich
