The Honorable Dan Kerschen, Chairperson  
Senate Committee on Agriculture and Natural Resources  
Statehouse, Room 225-E  
Topeka, Kansas 66612

Dear Senator Kerschen:

**SUBJECT:** Fiscal Note for SB 50 by Senate Committee on Agriculture and Natural Resources

In accordance with KSA 75-3715a, the following fiscal note concerning SB 50 is respectfully submitted to your committee.

SB 50 would increase the fee caps currently in statute for a number of permits and licenses issued by the Kansas Department of Wildlife, Parks and Tourism (KDWPT) for hunting, fishing, fur harvesting, and wildlife management.

According to the KDWPT, enactment of SB 50 would have no direct fiscal effect on the agency at this time because it does not intend to make increases to fees at this time. Any increase in the actual fees charged would be implemented through the rules and regulations process. The bill would, however, give the agency latitude over time to respond to alterations in wildlife populations, changes to environment, and the fiscal demands of agency operations.

Sincerely,

Larry L. Campbell  
Division of the Budget
