7 *Be it enacted by the Legislature of the State of Kansas:*

8 Section 1. K.S.A. 2018 Supp. 8-132 is hereby amended to read as
9 follows: 8-132. (a) Subject to the provisions of this section and K.S.A. 8-
10 1,125, and amendments thereto, the division of vehicles shall furnish to
11 every owner whose vehicle shall be registered one license plate for such
12 vehicle. Such license plate shall have displayed on it the registration
13 number assigned to the vehicle and to the owner thereof, the name of the
14 state, which may be abbreviated, and the year or years for which it is
15 issued. The same type of license plates shall be issued for passenger motor
16 vehicles, rented without a driver, as are issued for private passenger
17 vehicles.

18 (b) During calendar year 1975 commencing on the effective date of
19 this act, and during every fifth calendar year thereafter, the division of
20 vehicles shall furnish one license plate for any type of vehicle an owner
21 registers or has the registration thereof renewed, but during the succeeding
22 four-year period following calendar year 1975 and during the succeeding
23 four-year period following every fifth calendar year subsequent to 1975,
24 the division of vehicles shall not furnish any license plate for the renewal
25 of a vehicle's registration. During calendar year 1976 and during each
26 calendar year thereafter in which a license plate is not issued for the
27 renewal of registration of a vehicle, the division of vehicles shall furnish
28 one decal for the license plate issued for a vehicle as provided in K.S.A. 8-
29 134, and amendments thereto, for each registration and renewal of
30 registration of such vehicle. Notwithstanding the foregoing provisions of
31 this subsection, whenever, in the discretion of the director of vehicles, it is
32 determined that the license plates currently being issued and displayed are
33 not deteriorating to the extent that their replacement is warranted, the
34 director may adopt rules and regulations to extend the five-year issuance
35 cycle provided for in this subsection by one year at a time, and in the same
36 manner the director may further extend such cycle by one year at a time,

1 successively as the director determines appropriate. If the cycle is
2 extended at the expiration of the extended term, new license plates shall
3 again be issued in the manner and for the term provided in such rules and
4 regulations, except that the owner of a motor vehicle currently registered
5 may continue to display the license plate currently being issued and
6 displayed for a period not to exceed three registration years from the date
7 of the expiration of the extended term. The division shall furnish one decal
8 for each such license plate in accordance with the provisions of this
9 subsection.

10 (c) Two personalized license plates may be issued to any owner or
11 lessee of a passenger vehicle or a truck licensed for a gross weight of not
12 more than 20,000 pounds, who makes proper application to the division of
13 vehicles not less than 60 days prior to such owner's or lessee's renewal of
14 registration date. Such application shall be on a form prescribed by the
15 division and accompanied by a fee of ~~\$40~~ \$39.25, which shall be in
16 addition to any other fee required to renew the registration of such
17 passenger vehicle under the laws of this state. One such personalized
18 license plate shall be displayed on the rear of the vehicle and, at the option
19 of the owner or lessee, the other license plate may be displayed on the
20 front of the vehicle, except that no registration decal shall be issued
21 pursuant to K.S.A. 8-134, and amendments thereto, for any such license
22 plate displayed on the front of such vehicle. One personalized license plate
23 may be issued to any owner of a motorcycle upon proper application in the
24 same manner provided in this subsection (c) for passenger vehicles and
25 trucks. The ~~\$40~~ \$39.25 fee shall be paid only once during the registration
26 period for which such license plates were issued, and any subsequent
27 renewals during the registration period shall be subject only to the
28 registration fee prescribed by K.S.A. 8-143, and amendments thereto. The
29 division shall design distinctive, personalized license plates to be issued
30 which shall contain not more than seven letters or numbers on truck or
31 passenger vehicle license plates and not more than five letters or numbers
32 on motorcycle license plates, or a combination thereof, to be designated by
33 the applicant in lieu of the letters and numbers required by K.S.A. 8-147,
34 and amendments thereto, other than the letters required to designate the
35 county in which such vehicle is registered. Unless the letters or numbers
36 designated by the applicant have been assigned to another vehicle, or
37 unless the letters or numbers designated by the applicant have a profane,
38 vulgar, lewd or indecent meaning or connotation, as determined by the
39 director of vehicles, the division shall assign such letters or numbers to the
40 applicant's vehicle, and the letters or numbers, or combination thereof, so
41 assigned shall be deemed the registration number of such vehicle. Subject
42 to the foregoing provisions, all license plates issued under this section
43 shall be manufactured in accordance with K.S.A. 8-147, and amendments

1 thereto. Such license plates shall be issued for a registration period of five
2 years commencing in 1985 and each five years thereafter.

3 The secretary of revenue shall adopt rules and regulations necessary to
4 carry out the provisions of this act, including, without limitation, rules and
5 regulations concerning: (1) The procedure for insuring that duplicate
6 license plates are not issued throughout the state;; (2) the procedure for
7 reserving distinctive license plates for the purpose of obtaining the same
8 on each annual renewal of registration;; (3) the procedure for allowing the
9 transfer of personalized license plates from one vehicle to another for
10 which such license plates were originally issued, when the title to the
11 original vehicle has not been transferred and the name or names of the
12 owner or owners listed on the titles to both vehicles are identical;; and (4)
13 procedures necessary to coordinate this act with other laws of this state
14 governing registration of vehicles. The director of vehicles shall remit all
15 moneys received by the division of vehicles under this section to the state
16 treasurer in accordance with the provisions of K.S.A. 75-4215, and
17 amendments thereto. Upon receipt of each such remittance, the state
18 treasurer shall deposit the entire amount in the state treasury to the credit
19 of the state highway fund.

20 Sec. 2. K.S.A. 2018 Supp. 8-135 is hereby amended to read as
21 follows: 8-135. (a) Upon the transfer of ownership of any vehicle
22 registered under this act, the registration of the vehicle and the right to use
23 any license plate thereon shall expire and thereafter there shall be no
24 transfer of any registration, and the license plate shall be removed by the
25 owner thereof. Except as provided in K.S.A. 8-172,~~and amendments~~
26 ~~thereto~~, and 8-1,147, and amendments thereto, it shall be unlawful for any
27 person, other than the person to whom the license plate was originally
28 issued, to have possession thereof. When the ownership of a registered
29 vehicle is transferred, the original owner of the license plate may register
30 another vehicle under the same number, upon application and payment of a
31 fee of ~~\$1.50~~ \$0.75, if such other vehicle does not require a higher license
32 fee. If a higher license fee is required, then the transfer may be made upon
33 the payment of the transfer fee of ~~\$1.50~~ \$0.75 and the difference between
34 the fee originally paid and that due for the new vehicle.

35 (b) Subject to the provisions of K.S.A. 8-198(a), and amendments
36 thereto, upon the transfer or sale of any vehicle by any person or dealer, or
37 upon any transfer in accordance with K.S.A. 59-3511, and amendments
38 thereto, the new owner thereof, within 60 days, inclusive of weekends and
39 holidays, from date of such transfer shall make application to the division
40 for registration or reregistration of the vehicle, but no person shall operate
41 the vehicle on any highway in this state during the sixty-day period
42 without having applied for and obtained temporary registration from the
43 county treasurer or from a dealer. After the expiration of the sixty-day

1 period, it shall be unlawful for the owner or any other person to operate
2 such vehicle upon the highways of this state unless the vehicle has been
3 registered as provided in this act. For failure to make application for
4 registration as provided in this section, a penalty of \$2 shall be added to
5 other fees. When a person has a current motorcycle or passenger vehicle
6 registration and license plate, including any registration decal affixed
7 thereto, for a vehicle and has sold or otherwise disposed of the vehicle and
8 has acquired another motorcycle or passenger vehicle and intends to
9 transfer the registration and the license plate to the motorcycle or
10 passenger vehicle acquired, but has not yet had the registration transferred
11 in the office of the county treasurer, such person may operate the
12 motorcycle or passenger vehicle acquired for a period of not to exceed 60
13 days by displaying the license plate on the rear of the vehicle acquired. If
14 the acquired vehicle is a new vehicle such person also must carry the
15 assigned certificate of title or manufacturer's statement of origin when
16 operating the acquired vehicle, except that a dealer may operate such
17 vehicle by displaying such dealer's dealer license plate.

18 (c) Certificate of title: No vehicle required to be registered shall be
19 registered or any license plate or registration decal issued therefor, unless
20 the applicant for registration shall present satisfactory evidence of
21 ownership and apply for an original certificate of title for such vehicle.
22 The following paragraphs of this subsection shall apply to the issuance of
23 a certificate of title for a nonhighway vehicle, salvage vehicle or rebuilt
24 salvage vehicle, as defined in K.S.A. 8-197, and amendments thereto,
25 except to the extent such paragraphs are made inapplicable by or are
26 inconsistent with K.S.A. 8-198, and amendments thereto, and to any
27 electronic certificate of title, except to the extent such paragraphs are made
28 inapplicable by or are inconsistent with K.S.A. 2018 Supp. 8-135d, and
29 amendments thereto, or with rules and regulations adopted pursuant to
30 K.S.A. 2018 Supp. 8-135d, and amendments thereto.

31 The provisions of paragraphs (1) through (14) shall apply to any
32 certificate of title issued prior to January 1, 2003, which indicates that
33 there is a lien or encumbrance on such vehicle.

34 (1) An application for certificate of title shall be made by the owner
35 or the owner's agent upon a form furnished by the division and shall state
36 all liens or encumbrances thereon, and such other information as the
37 division may require. Notwithstanding any other provision of this section,
38 no certificate of title shall be issued for a vehicle having any unreleased
39 lien or encumbrance thereon, unless the transfer of such vehicle has been
40 consented to in writing by the holder of the lien or encumbrance. Such
41 consent shall be in a form approved by the division. In the case of
42 members of the armed forces of the United States while the United States
43 is engaged at war with any foreign nation and for a period of six months

1 next following the cessation of hostilities, such application may be signed
2 by the owner's spouse, parents, brother or sister. The county treasurer shall
3 use reasonable diligence in ascertaining whether the facts stated in such
4 application are true, and if satisfied that the applicant is the lawful owner
5 of such vehicle, or otherwise entitled to have the same registered in such
6 applicant's name, shall so notify the division, who shall issue an
7 appropriate certificate of title. The certificate of title shall be in a form
8 approved by the division, and shall contain a statement of any liens or
9 encumbrances which the application shows, and such other information as
10 the division determines.

11 (2) The certificate of title shall contain upon the reverse side a form
12 for assignment of title to be executed by the owner. This assignment shall
13 contain a statement of all liens or encumbrances on the vehicle at the time
14 of assignment. The certificate of title shall also contain on the reverse side
15 blank spaces so that an abstract of mileage as to each owner will be
16 available. The seller at the time of each sale shall insert and certify the
17 mileage and the purchase price on the form filed for application or
18 reassignment of title, and the division shall insert such mileage on the
19 certificate of title when issued to purchaser or assignee. The signature of
20 the purchaser or assignee is required on the form filed for application or
21 reassignment of title, acknowledging the odometer and purchase price
22 certification made by the seller, except that vehicles which are 10 model
23 years or older and trucks with a gross vehicle weight of more than 16,000
24 pounds shall be exempt from the mileage acknowledgment requirement of
25 the purchaser or assignee. Such title shall indicate whether the vehicle for
26 which it is issued has been titled previously as a nonhighway vehicle or
27 salvage vehicle. In addition, the reverse side shall contain two forms for
28 reassignment by a dealer, stating the liens or encumbrances thereon. The
29 first form of reassignment shall be used only when a dealer sells the
30 vehicle to another dealer. The second form of reassignment shall be used
31 by a dealer when selling the vehicle to another dealer or the ultimate
32 owner of the vehicle. The reassignment by a dealer shall be used only
33 where the dealer resells the vehicle, and during the time that the vehicle
34 remains in the dealer's possession for resale, the certificate of title shall be
35 dormant. When the ownership of any vehicle passes by operation of law,
36 or repossession upon default of a lease, security agreement, or executory
37 sales contract, the person owning such vehicle, upon furnishing
38 satisfactory proof to the county treasurer of such ownership, may procure a
39 certificate of title to the vehicle. When a vehicle is registered in another
40 state and is repossessed in another state, the owner of such vehicle shall
41 not be entitled to obtain a valid Kansas title or registration, except that
42 when a vehicle is registered in another state, but is financed originally by a
43 financial institution chartered in the state of Kansas or when a financial

1 institution chartered in Kansas purchases a pool of motor vehicle loans
2 from the resolution trust corporation or a federal regulatory agency, and
3 the vehicle is repossessed in another state, such Kansas financial
4 institution shall be entitled to obtain a valid Kansas title or registration. ~~In~~
5 ~~addition to any other fee required for the issuance of a certificate of title,~~
6 ~~any applicant obtaining a certificate of title for a repossessed vehicle shall~~
7 ~~pay a fee of \$3.~~

8 (3) Dealers shall execute, upon delivery to the purchaser of every
9 new vehicle, a manufacturer's statement of origin stating the liens and
10 encumbrances thereon. Such statement of origin shall be delivered to the
11 purchaser at the time of delivery of the vehicle or at a time agreed upon by
12 the parties, not to exceed 30 days, inclusive of weekends and holidays. The
13 agreement of the parties shall be executed on a form approved by the
14 division. In the event delivery of title cannot be made personally, the seller
15 may deliver the manufacturer's statement of origin by restricted mail to the
16 address of purchaser shown on the purchase agreement. The
17 manufacturer's statement of origin may include an attachment containing
18 assignment of such statement of origin on forms approved by the division.
19 Upon the presentation to the division of a manufacturer's statement of
20 origin, by a manufacturer or dealer for a new vehicle, sold in this state, a
21 certificate of title shall be issued if there is also an application for
22 registration, except that no application for registration shall be required for
23 a travel trailer used for living quarters and not operated on the highways.

24 (4) The fee for each original certificate of title shall be ~~\$10~~ \$8 in
25 addition to the fee for registration of such vehicle, trailer or semitrailer.
26 The certificate of title shall be good for the life of the vehicle, trailer or
27 semitrailer while owned or held by the original holder of the certificate of
28 title.

29 (5) Except for a vehicle registered by a federally recognized Indian
30 tribe, as provided in paragraph (16), upon sale and delivery to the
31 purchaser of every vehicle subject to a purchase money security interest as
32 provided in article 9 of chapter 84 of the Kansas Statutes Annotated, and
33 amendments thereto, the dealer or secured party may complete a notice of
34 security interest and when so completed, the purchaser shall execute the
35 notice, in a form prescribed by the division, describing the vehicle and
36 showing the name and address of the secured party and of the debtor and
37 other information the division requires. On and after July 1, 2007, only one
38 lien shall be taken or accepted for vehicles with a gross vehicle weight
39 rating of 26,000 pounds or less. As used in this section "gross vehicle
40 weight rating" shall have the meaning ascribed thereto in 49 C.F.R. §
41 390.5, as in effect on July 1, 2017, or any later version as established in
42 rules and regulations adopted by the state corporation commission. The
43 dealer or secured party, within 30 days of the sale and delivery, may mail

1 or deliver the notice of security interest, together with a fee of \$2.50, to the
2 division. The notice of security interest shall be retained by the division
3 until it receives an application for a certificate of title to the vehicle and a
4 certificate of title is issued. The certificate of title shall indicate any
5 security interest in the vehicle. Upon issuance of the certificate of title, the
6 division shall mail or deliver confirmation of the receipt of the notice of
7 security interest, the date the certificate of title is issued and the security
8 interest indicated, to the secured party at the address shown on the notice
9 of security interest. The proper completion and timely mailing or delivery
10 of a notice of security interest by a dealer or secured party shall perfect a
11 security interest in the vehicle, as referenced in K.S.A. 2018 Supp. 84-9-
12 311, and amendments thereto, on the date of such mailing or delivery. The
13 county treasurers shall mail a copy of the title application to the lienholder.
14 ~~For any vehicle subject to a lien, the county treasurer, division or~~
15 ~~contractor shall collect from the applicant a \$1.50 service fee for~~
16 ~~processing and mailing a copy of the title application to the lienholder.~~

17 (6) It shall be unlawful for any person to operate in this state a vehicle
18 required to be registered under this act, or to transfer the title to any such
19 vehicle to any person or dealer, unless a certificate of title has been issued
20 as herein provided. In the event of a sale or transfer of ownership of a
21 vehicle for which a certificate of title has been issued, which certificate of
22 title is in the possession of the transferor at the time of delivery of the
23 vehicle, the holder of such certificate of title shall endorse on the same an
24 assignment thereof, with warranty of title in a form prescribed by the
25 division and printed thereon and the transferor shall deliver the same to the
26 buyer at the time of delivery to the buyer of the vehicle or at a time agreed
27 upon by the parties, not to exceed 60 days, inclusive of weekends and
28 holidays, after the time of delivery. The agreement of the parties shall be
29 executed on a form provided by the division. The requirements of this
30 paragraph concerning delivery of an assigned title are satisfied if the
31 transferor mails to the transferee by restricted mail the assigned certificate
32 of title within the 60 days, and if the transferor is a dealer, as defined by
33 K.S.A. 8-2401, and amendments thereto, such transferor shall be deemed
34 to have possession of the certificate of title if the transferor has made
35 application therefor to the division. The buyer shall then present such
36 assigned certificate of title to the division at the time of making application
37 for registration of such vehicle. A new certificate of title shall be issued to
38 the buyer, upon payment of the fee of ~~\$10~~ \$8. If such vehicle is sold to a
39 resident of another state or country, the dealer or person making the sale
40 shall notify the division of the sale and the division shall make notation
41 thereof in the records of the division. When a person acquires a security
42 interest that such person seeks to perfect on a vehicle subsequent to the
43 issuance of the original title on such vehicle, such person shall require the

1 holder of the certificate of title to surrender the same and sign an
2 application for a mortgage title in form prescribed by the division. Upon
3 such surrender such person shall immediately deliver the certificate of
4 title, application, and a fee of ~~\$10~~ \$8 to the division. Delivery of the
5 surrendered title, application and tender of the required fee shall perfect a
6 security interest in the vehicle as referenced in K.S.A. 2018 Supp. 84-9-
7 311, and amendments thereto. On and after July 1, 2007, only one lien
8 may be taken or accepted for security for an obligation to be secured by a
9 lien to be shown on a certificate of title for vehicles with a gross vehicle
10 weight rating, as defined in 49 C.F.R. § 390.5, as in effect on July 1, 2017,
11 or any later version as established in rules and regulations adopted by the
12 state corporation commission, of 26,000 pounds or less. A refinancing
13 shall not be subject to the limitations of this act. A refinancing is deemed
14 to occur when the original obligation is satisfied and replaced by a new
15 obligation. Lien obligations created before July 1, 2007, ~~which~~ *that* are of
16 a continuing nature shall not be subject to the limitations of this act until
17 the obligation is satisfied. A lien in violation of this provision is void.
18 Upon receipt of the surrendered title, application and fee, the division shall
19 issue a new certificate of title showing the liens or encumbrances so
20 created, but only one lien or encumbrance may be shown upon a title for
21 vehicles with a gross vehicle rating of 26,000 pounds or less, and not more
22 than two liens or encumbrances may be shown upon a title for vehicles in
23 excess of 26,000 pounds gross vehicle weight rating. When a prior
24 lienholder's name is removed from the title, there must be satisfactory
25 evidence presented to the division that the lien or encumbrance has been
26 paid. When the indebtedness to a lienholder, whose name is shown upon a
27 title, is paid in full, such lienholder shall comply with the provisions of
28 K.S.A. 2018 Supp. 8-1,157, and amendments thereto.

29 (7) It shall be unlawful for any person to buy or sell in this state any
30 vehicle required to be registered, unless, at the time of delivery thereof or
31 at a time agreed upon by the parties, not to exceed 60 days, inclusive of
32 weekends and holidays, after the time of delivery, there shall pass between
33 the parties a certificate of title with an assignment thereof. The sale of a
34 vehicle required to be registered under the laws of this state, without
35 assignment of the certificate of title, is fraudulent and void, unless the
36 parties shall agree that the certificate of title with assignment thereof shall
37 pass between them at a time other than the time of delivery, but within 60
38 days thereof. The requirements of this paragraph concerning delivery of an
39 assigned title shall be satisfied if: (A) The seller mails to the purchaser by
40 restricted mail the assigned certificate of title within 60 days; or (B) if the
41 transferor is a dealer, as defined by K.S.A. 8-2401, and amendments
42 thereto, such seller shall be deemed to have possession of the certificate of
43 title if such seller has made application therefor to the division; or (C) if

1 the transferor is a dealer and has assigned a title pursuant to subsection (c)
2 (9).

3 (8) In cases of sales under the order of a court of a vehicle required to
4 be registered under this act, the officer conducting such sale shall issue to
5 the purchaser a certificate naming the purchaser and reciting the facts of
6 the sale, which certificate shall be prima facie evidence of the ownership
7 of such purchaser for the purpose of obtaining a certificate of title to such
8 motor vehicle and for registering the same. Any such purchaser shall be
9 allowed 60 days, inclusive of weekends and holidays, from the date of sale
10 to make application to the division for a certificate of title and for the
11 registering of such motor vehicle.

12 (9) Any dealer who has acquired a vehicle, the title for which was
13 issued under the laws of and in a state other than the state of Kansas, shall
14 not be required to obtain a Kansas certificate of title therefor during the
15 time such vehicle remains in such dealer's possession and at such dealer's
16 place of business for the purpose of sale. The purchaser or transferee shall
17 present the assigned title to the division of vehicles when making
18 application for a certificate of title as provided in subsection (c)(1).

19 (10) Motor vehicles may be held and titled in transfer-on-death form.

20 (11) Notwithstanding the provisions of this act with respect to time
21 requirements for delivery of a certificate of title, or manufacturer's
22 statement of origin, as applicable, any person who chooses to reaffirm the
23 sale in writing on a form approved by the division which advises them of
24 their rights pursuant to subsection (c)(7) and who has received and
25 accepted assignment of the certificate of title or manufacturer's statement
26 of origin for the vehicle in issue may not thereafter void or set aside the
27 transaction with respect to the vehicle for the reason that a certificate of
28 title or manufacturer's statement of origin was not timely delivered, and in
29 such instances the sale of a vehicle shall not be deemed to be fraudulent
30 and void for that reason alone.

31 (12) The owner of any vehicle assigning a certificate of title in
32 accordance with the provisions of this section may file with the division a
33 form indicating that such owner has assigned such certificate of title. Such
34 forms shall be furnished by the division and shall contain such information
35 as the division may require. Any owner filing a form as provided in this
36 paragraph shall pay a fee of \$10. The filing of such form shall be prima
37 facie evidence that such certificate of title was assigned and shall create a
38 rebuttable presumption. If the assignee of a certificate of title fails to make
39 application for registration, an owner assigning such title and filing the
40 form in accordance with the provisions of this paragraph shall not be held
41 liable for damages resulting from the operation of such vehicle.

42 (13) Application for a certificate of title on a boat trailer with a gross
43 weight over 2,000 pounds shall be made by the owner or the owner's agent

1 upon a form to be furnished by the division and shall contain such
2 information as the division shall determine necessary. The division may
3 waive any information requested on the form if it is not available. The
4 application together with a bill of sale for the boat trailer shall be accepted
5 as prima facie evidence that the applicant is the owner of the boat trailer,
6 provided that a Kansas title for such trailer has not previously been issued.
7 If the application and bill of sale are used to obtain a certificate of title for
8 a boat trailer under this paragraph, the certificate of title shall not be issued
9 until an inspection in accordance with K.S.A. 8-116a(a), and amendments
10 thereto, has been completed.

11 (14) In addition to the two forms for reassignment under subsection
12 (c)(2), a dealer may attach one additional reassignment form to a
13 certificate of title. The director of vehicles shall prescribe and furnish such
14 reassignment forms. The reassignment form shall be used by a dealer when
15 selling the vehicle to another dealer or the ultimate owner of the vehicle
16 only when the two reassignment forms under subsection (c)(2) have
17 already been used. The fee for a reassignment form shall be \$6.50. A
18 dealer may purchase reassignment forms in multiples of five upon making
19 proper application and the payment of required fees.

20 (15) A first stage manufacturer, as defined in K.S.A. 8-2401, and
21 amendments thereto, who manufactures a motor vehicle in this state, and
22 who sells such motor vehicles to dealers located in a foreign country, may
23 execute a manufacturer's statement of origin to the division of vehicles for
24 the purpose of obtaining an export certificate of title. The motor vehicle
25 issued an export certificate of title shall not be required to be registered in
26 this state. An export certificate of title shall not be used to register such
27 vehicle in the United States.

28 (16) A security interest in a vehicle registered by a federally
29 recognized Indian tribe shall be deemed valid under Kansas law if validly
30 perfected under the applicable tribal law and the lien is noted on the face
31 of the tribal certificate of title.

14 (e) For a model year license plate issued during calendar year 1976 or
15 thereafter, and which is displayed on an antique vehicle pursuant to
16 subsection (c), the owner may display a decal of the type described in
17 K.S.A. 8-132, and amendments thereto, for the year of the vehicle so long
18 as such decal is legible. Otherwise, on and after January 1, 2013, the
19 owner may obtain a replacement decal from the county treasurer which
20 displays the year of the vehicle.

21 Sec. 13. K.S.A. 8-195 is hereby amended to read as follows: 8-195.

22 (a) Any person who is the owner of a special interest vehicle or street rod
23 vehicle at the time of making application for registration or transfer of title
24 of the vehicle may upon application register the same as a special interest
25 vehicle or street rod vehicle upon payment of an annual fee of ~~\$26~~ \$25.25
26 and be furnished each year upon the payment of such fee license plates of
27 a distinctive design in lieu of the usual license plates which shall show in
28 addition to the identification number, that the vehicle is a special interest
29 vehicle or that the vehicle is a special interest vehicle and it meets the
30 qualifications of a street rod, as the case may be, owned by a Kansas
31 collector. The registration shall be valid for one year and may be renewed
32 by payment of such annual fee. Special interest vehicles including street
33 rod vehicles may be used as are other vehicles of the same type, except
34 that special interest vehicles including street rod vehicles may not
35 transport passengers for hire, nor haul material weighing more than 500
36 pounds.

37 (b) Each collector applying for special interest vehicle or street rod
38 vehicle license plates will be issued a collector's identification number
39 which will appear on each license plate. Second and all subsequent
40 registrations under this section by the same collector will bear the same
41 collector's identification number followed by a suffix letter for vehicle
42 identification.

43 (c) A collector must own and have registered one or more vehicles

1 with regular license plates which are used for regular transportation.

2 Sec. 14. K.S.A. 2018 Supp. 8-198 is hereby amended to read as
3 follows: 8-198. (a) A nonhighway or salvage vehicle shall not be required
4 to be registered in this state, as provided in K.S.A. 8-135, and amendments
5 thereto, but nothing in this section shall be construed as abrogating,
6 limiting or otherwise affecting the provisions of K.S.A. 8-142, and
7 amendments thereto, which make it unlawful for any person to operate or
8 knowingly permit the operation in this state of a vehicle required to be
9 registered in this state.

10 (b) Upon the sale or transfer of any nonhighway vehicle or salvage
11 vehicle, the purchaser thereof shall obtain a nonhighway certificate of title
12 or salvage title, whichever is applicable, in the following manner:

13 (1) If the transferor is a vehicle dealer, as defined in K.S.A. 8-2401,
14 and amendments thereto, and a certificate of title has not been issued for
15 such vehicle under this section or under the provisions of K.S.A. 8-135,
16 and amendments thereto, such transferor shall make application for and
17 assign a nonhighway certificate of title or a salvage title, whichever is
18 applicable, to the purchaser of such nonhighway vehicle or salvage vehicle
19 in the same manner and under the same conditions prescribed by K.S.A. 8-
20 135, and amendments thereto, for the application for and assignment of a
21 certificate of title thereunder. Upon the assignment thereof, the purchaser
22 shall make application for a new nonhighway certificate of title or salvage
23 title, as provided in subsection (c) or (d).

24 (2) Except as provided in K.S.A. 8-199(b), and amendments thereto,
25 if a certificate of title has been issued for any such vehicle under the
26 provisions of K.S.A. 8-135, and amendments thereto, the owner of such
27 nonhighway vehicle or salvage vehicle may surrender such certificate of
28 title to the division of vehicles and make application to the division for a
29 nonhighway certificate of title or salvage title, whichever is applicable, or
30 the owner may obtain from the county treasurer's office a form prescribed
31 by the division of vehicles and, upon proper execution thereof, may assign
32 the nonhighway certificate of title, salvage title or the regular certificate of
33 title with such form attached to the purchaser of the nonhighway vehicle or
34 salvage vehicle. Upon receipt of the nonhighway certificate of title,
35 salvage title or the regular certificate of title with such form attached, the
36 purchaser shall make application for a new nonhighway certificate of title
37 or salvage title, whichever is applicable, as provided in subsection (c) or
38 (d).

39 (3) If the transferor is not a vehicle dealer, as defined in K.S.A. 8-
40 2401, and amendments thereto, and a certificate of title has not been issued
41 for the vehicle under this section or a certificate of title was not required
42 under K.S.A. 8-135, and amendments thereto, the transferor shall make
43 application to the division for a nonhighway certificate of title or salvage

1 title, whichever is applicable, as provided in this section, except that in
2 addition thereto, the division shall require a bill of sale or such transferor's
3 affidavit, with at least one other corroborating affidavit, that such
4 transferor is the owner of such nonhighway vehicle or salvage vehicle. If
5 the division is satisfied that the transferor is the owner, the division shall
6 issue a nonhighway certificate of title or salvage title, whichever is
7 applicable, for such vehicle, and the transferor shall assign the same to the
8 purchaser, who shall make application for a new nonhighway certificate of
9 title or salvage title, whichever is applicable, as provided in subsection (c)
10 or (d).

11 (c) Every purchaser of a nonhighway vehicle, whether assigned a
12 nonhighway certificate of title or a regular certificate of title with the form
13 specified in subsection (b)(2) attached, shall make application to the
14 county treasurer of the county in which such person resides for a new
15 nonhighway certificate of title in the same manner and under the same
16 conditions as for an application for a certificate of title under K.S.A. 8-
17 135, and amendments thereto. Such application shall be in the form
18 prescribed by the director of vehicles and shall contain substantially the
19 same provisions as required for an application under K.S.A. 8-135(c)(1),
20 and amendments thereto. In addition, such application shall provide a
21 place for the applicant to certify that the vehicle for which the application
22 for a nonhighway certificate of title is made is a nonhighway vehicle and
23 other provisions the director deems necessary. Each application for a
24 nonhighway certificate of title shall be accompanied by a fee of ~~\$10~~ \$8,
25 and if the application is not made to the county treasurer within the time
26 prescribed by K.S.A. 8-135, and amendments thereto, for making
27 application for a certificate of title thereunder, an additional fee of \$2.

28 (d) (1) Except as otherwise provided by this section, the owner of a
29 vehicle that meets the definition of a salvage vehicle shall apply for a
30 salvage title before the ownership of the motor vehicle or travel trailer is
31 transferred. In no event shall such application be made more than 60 days
32 after the vehicle is determined to be a salvage vehicle.

33 (2) Every insurance company, which pursuant to a damage
34 settlement, acquires ownership of a vehicle that has incurred damage
35 requiring the vehicle to be designated a salvage vehicle, shall apply for a
36 salvage title within 60 days after the title is assigned and delivered by the
37 owner to the insurance company, with all liens released. In the event that
38 an insurance company is unable to obtain voluntary assignment of the title
39 after 30 days from the date the vehicle owner enters into an oral or written
40 damage settlement agreement where the owner agrees to transfer the title,
41 the insurance company may submit an application on a form prescribed by
42 the division for a salvage title. The form shall be accompanied by an
43 affidavit from the insurance company stating that: (A) The insurance

1 company is unable to obtain a transfer of the title from the owner
2 following an oral or written acceptance of an offer of damage settlement;
3 (B) there is evidence of the damage settlement; (C) that there are no
4 existing liens on the vehicle or all liens on the vehicle have been released;
5 (D) the insurance company has physical possession of the vehicle; and (E)
6 the insurance company has provided the owner, at the owner's last known
7 address, 30 days' prior notice of such intent to transfer and the owner has
8 not delivered a written objection to the insurance company.

9 (3) Every insurance company which makes a damage settlement for a
10 vehicle that has incurred damage requiring such vehicle to be designated a
11 salvage vehicle, but does not acquire ownership of the vehicle, shall notify
12 the vehicle owner of the owner's obligation to apply for a salvage title for
13 the motor vehicle or travel trailer, and shall notify the division of this fact
14 in accordance with procedures established by the division. The vehicle
15 owner shall apply for a salvage title within 60 days after being notified by
16 the insurance company.

17 (4) The lessee of any vehicle which incurs damage requiring the
18 vehicle to be designated a salvage vehicle shall notify the lessor of this fact
19 within 30 days of the determination that the vehicle is a salvage vehicle.

20 (5) The lessor of any motor vehicle or travel trailer which has
21 incurred damage requiring the vehicle to be titled as a salvage vehicle,
22 shall apply for a salvage title within 60 days after being notified of this
23 fact by the lessee.

24 (6) Every person acquiring ownership of a motor vehicle or travel
25 trailer that meets the definition of a salvage vehicle, for which a salvage
26 title has not been issued, shall apply for the required document prior to any
27 further transfer of such vehicle, but in no event, more than 60 days after
28 ownership is acquired.

29 (7) Every purchaser of a salvage vehicle, whether assigned a salvage
30 title or a regular certificate of title with the form specified in subsection (b)
31 (2) attached, shall make application to the county treasurer of the county in
32 which such person resides for a new salvage title, in the same manner and
33 under the same condition as for an application for a certificate of title
34 under K.S.A. 8-135, and amendments thereto. Such application shall be in
35 the form prescribed by the director of vehicles and shall contain
36 substantially the same provisions as required for an application under
37 K.S.A. 8-135(c)(1), and amendments thereto. In addition, such application
38 shall provide a place for the applicant to certify that the vehicle for which
39 the application for salvage title is made is a salvage vehicle, and other
40 provisions the director deems necessary. Each application for a salvage
41 title shall be accompanied by a fee of ~~\$10~~ \$8 and if the application is not
42 made to the county treasurer within the time prescribed by K.S.A. 8-135,
43 and amendments thereto, for making application for a certificate of title

1 thereunder, an additional fee of \$2.

2 (8) Failure to apply for a salvage title as provided by this subsection
3 shall be a class C nonperson misdemeanor.

4 (e) A nonhighway certificate of title or salvage title shall be in form
5 and color as prescribed by the director of vehicles. A nonhighway
6 certificate of title or salvage title shall indicate clearly and distinctly on its
7 face that it is issued for a nonhighway vehicle or salvage vehicle,
8 whichever is applicable. A nonhighway certificate of title or salvage title
9 shall contain substantially the same information as required on a certificate
10 of title issued under K.S.A. 8-135, and amendments thereto, and other
11 information the director deems necessary.

12 (f) (1) A nonhighway certificate of title or salvage title may be
13 transferred in the same manner and under the same conditions as
14 prescribed by K.S.A. 8-135, and amendments thereto, for the transfer of a
15 certificate of title, except as otherwise provided in this section. A
16 nonhighway certificate of title or salvage title may be assigned and
17 transferred only while the vehicle remains a nonhighway vehicle or
18 salvage vehicle.

19 (2) Upon transfer or sale of a nonhighway vehicle in a condition
20 which will allow the registration of such vehicle, the owner shall assign
21 the nonhighway certificate of title to the purchaser, and the purchaser shall
22 obtain a certificate of title and register such vehicle as provided in K.S.A.
23 8-135, and amendments thereto. No regular certificate of title shall be
24 issued for a vehicle for which there has been issued a nonhighway
25 certificate of title until there has been compliance with K.S.A. 8-116a, and
26 amendments thereto.

27 (3) (A) Upon transfer or sale of a salvage vehicle which has been
28 rebuilt or restored or is otherwise in a condition which will allow the
29 registration of such vehicle, the owner shall assign the salvage title to the
30 purchaser, and the purchaser shall obtain a rebuilt salvage title and register
31 such vehicle as provided in K.S.A. 8-135, and amendments thereto. No
32 rebuilt salvage title shall be issued for a vehicle for which there has been
33 issued a salvage title until there has been compliance with K.S.A. 8-116a,
34 and amendments thereto, and the notice required in subsection (f)(3)(B)
35 has been attached to such vehicle.

36 (B) As part of the inspection for a rebuilt salvage title conducted
37 under K.S.A. 8-116a, and amendments thereto, the Kansas highway patrol
38 shall attach a notice affixed to the left door frame of the rebuilt salvage
39 vehicle indicating the vehicle identification number of such vehicle and
40 that such vehicle is a rebuilt salvage vehicle. In addition to any fee allowed
41 under K.S.A. 8-116a, and amendments thereto, a fee of \$5 shall be
42 collected from the owner of such vehicle requesting the inspection for the
43 notice required under this paragraph. All moneys received under this

1 paragraph shall be remitted in accordance with K.S.A. 8-116a(e), and
2 amendments thereto.

3 (C) Failure to apply for a rebuilt salvage title as provided by this
4 paragraph shall be a class C nonperson misdemeanor.

5 (g) The owner of a salvage vehicle which has been issued a salvage
6 title and has been assembled, reconstructed, reconstituted or restored or
7 otherwise placed in an operable condition may make application to the
8 county treasurer for a permit to operate such vehicle on the highways of
9 this state over the most direct route from the place such salvage vehicle is
10 located to a specified location named on the permit and to return to the
11 original location. No such permit shall be issued for any vehicle unless the
12 owner has motor vehicle liability insurance coverage or an approved self-
13 insurance plan under K.S.A. 40-3104, and amendments thereto. Such
14 permit shall be on a form furnished by the director of vehicles and shall
15 state the date the vehicle is to be taken to the other location, the name of
16 the insurer, as defined in K.S.A. 40-3103, and amendments thereto, and the
17 policy number or a statement that the vehicle is included in a self-
18 insurance plan approved by the commissioner of insurance, a statement
19 attesting to the correctness of the information concerning financial
20 security, the vehicle identification number and a description of the vehicle.
21 Such permit shall be signed by the owner of the vehicle. The permit shall
22 be carried in the vehicle for which it is issued and shall be displayed so
23 that it is visible from the rear of the vehicle. The fee for such permit shall
24 be ~~\$1~~ \$10 which shall be retained by the county treasurer, ~~who shall~~
25 ~~annually forward 25% of all such fees collected to the division of vehicles~~
26 ~~to reimburse the division for administrative expenses, and shall deposit the~~
27 ~~remainder in a special fund for expenses of issuing such permits.~~

28 (h) A nonhighway vehicle or salvage vehicle for which a nonhighway
29 certificate of title or salvage title has been issued pursuant to this section
30 shall not be deemed a motor vehicle for the purposes of K.S.A. 40-3101 ~~to~~
31 ~~through~~ 40-3121, ~~inclusive~~, and amendments thereto, except when such
32 vehicle is being operated pursuant to subsection (g). Any person who
33 knowingly makes a false statement concerning financial security in
34 obtaining a permit pursuant to subsection (g), or who fails to obtain a
35 permit when required by law to do so is guilty of a class C misdemeanor.

36 (i) Any person who, on July 1, 1996, is the owner of an all-terrain
37 vehicle, as defined in K.S.A. 8-126, and amendments thereto, shall not be
38 required to file an application for a nonhighway certificate of title under
39 the provisions of this section for such all-terrain vehicle, unless the person
40 transfers an interest in such all-terrain vehicle.

41 (j) Any person who, on July 1, 2006, is the owner of a work-site
42 utility vehicle, as defined in K.S.A. 8-126, and amendments thereto, shall
43 not be required to file an application for a nonhighway certificate of title

1 under the provisions of this section for such work-site utility vehicle,
2 unless the person transfers an interest in such work-site utility vehicle.

3 Sec. 15. K.S.A. 2018 Supp. 58-4204 is hereby amended to read as
4 follows: 58-4204. (a) For purposes of this section, a manufactured home or
5 mobile home shall be considered to be personal property.

6 (b) The provisions of this section shall apply to any electronic
7 certificate of title, except to the extent such provisions are made
8 inapplicable by or are inconsistent with K.S.A. 58-4204a, and amendments
9 thereto, or with rules and regulations adopted pursuant to K.S.A. 58-
10 4204a, and amendments thereto.

11 The provisions of this section shall apply to any certificate of title
12 issued prior to January 1, 2003, which indicates that there is a lien or
13 encumbrance on such manufactured home or mobile home.

14 (c) Upon the transfer or sale of any manufactured home or mobile
15 home by any person or dealer, the new owner thereof, within 30 days,
16 inclusive of weekends and holidays, from the date of such transfer or sale,
17 shall make application to the division for the issuance of a certificate of
18 title evidencing the new owner's ownership of such manufactured home or
19 mobile home. An application for certificate of title shall be made by the
20 owner of the manufactured home or mobile home, or the owner's agent,
21 upon a form furnished by the division, and it shall state all liens or
22 encumbrances thereon and such other information as the director may
23 require. Notwithstanding any other provision of this section, no certificate
24 of title shall be issued for a manufactured home or mobile home having
25 any unreleased lien or encumbrance thereon, unless the transfer of such
26 manufactured home or mobile home has been consented to in writing by
27 the holder of the lien or encumbrance. Such consent shall be in a form
28 approved by the director. The county treasurer shall use reasonable
29 diligence in ascertaining whether the facts stated in such application are
30 true, and if satisfied that the applicant is the lawful owner of the
31 manufactured home or mobile home, or otherwise entitled to have the
32 certificate of title therefor issued in such applicant's name, shall so notify
33 the division, who shall issue an appropriate certificate of title.

34 (d) The director shall design a distinctive certificate of title to be
35 issued to owners of manufactured homes and mobile homes, so as to be
36 distinguishable from certificates of title issued to owners of vehicles. The
37 certificate of title shall contain a statement of any liens or encumbrances
38 which the application discloses and shall provide such other information as
39 the director determines necessary and appropriate. The certificate of title
40 shall contain upon the reverse side a form for assignment of title to be
41 executed by the owner. This assignment shall contain a statement of all
42 liens or encumbrances on the manufactured home or mobile home at the
43 time of assignment. When the ownership of any manufactured home or

1 mobile home passes by operation of law or by repossession upon default
2 of a lease, security agreement or executory sales contract, the person
3 owning such manufactured home or mobile home, upon furnishing
4 satisfactory proof to the county treasurer of such ownership, may procure a
5 certificate of title to the manufactured home or mobile home.

6 (e) Dealers shall execute, upon delivery to the purchaser of every new
7 manufactured home, a manufacturer's statement of origin stating the liens
8 and encumbrances thereon. Such statement of origin shall be delivered to
9 the purchaser at the time of delivery of the manufactured home or at a time
10 agreed upon by the parties, not to exceed 30 days, inclusive of weekends
11 and holidays. The agreement of the parties shall be executed on a form
12 approved by the director. In the event delivery of title cannot be made
13 personally, the seller may deliver the manufacturer's statement of origin by
14 restricted mail to the address of the purchaser shown on the purchase
15 agreement. The manufacturer's statement of origin may include an
16 attachment containing assignment of such statement of origin on forms
17 approved by the director. Upon the presentation to the division of a
18 manufacturer's statement of origin, by a manufacturer or dealer for a new
19 manufactured home, sold in this state, a certificate of title shall be issued.

20 (f) The fee for each original certificate of title shall be ~~\$10~~ \$8. The
21 certificate of title shall be good for the life of the manufactured home or
22 mobile home while owned or held by the original holder of the certificate
23 of title.

24 (g) Upon sale and delivery to the purchaser of every manufactured
25 home or mobile home subject to a purchase money security interest, as
26 provided for in article 9 of chapter 84 of the Kansas Statutes Annotated,
27 and amendments thereto, the dealer or secured party may complete a
28 notice of security interest and, when so completed, the purchaser shall
29 execute the notice, in a form prescribed by the director, describing the
30 manufactured home or mobile home and showing the name and address of
31 the secured party and of the debtor and such other information as the
32 director may require. The dealer or secured party may, within 30 days of
33 the sale and delivery, mail or deliver the notice of security interest,
34 together with a fee of \$2.50, to the division. The notice of security interest
35 shall be retained by the division, until it receives an application for a
36 certificate of title to the manufactured home or mobile home and a
37 certificate of title is issued. The certificate of title shall indicate any
38 security interest in the manufactured home or mobile home. Upon issuance
39 of the certificate of title, the division shall mail or deliver confirmation of
40 the receipt of the notice of security interest, the date the certificate of title
41 is issued and the security interest indicated, to the secured party at the
42 address shown on the notice of security interest. The proper completion
43 and timely mailing or delivery of a notice of security interest by a dealer or

1 secured party shall perfect a security interest in the manufactured home or
2 mobile home, as referenced in K.S.A. 2018 Supp. 84-9-311, and
3 amendments thereto, on the date of such mailing or delivery.

4 (h) In the event of a sale or transfer of ownership of a manufactured
5 home or mobile home for which a certificate of title has been issued,
6 which certificate of title is in the possession of the transferor at the time of
7 delivery of the manufactured home or mobile home, the holder of such
8 certificate of title shall endorse on the same an assignment thereof, with
9 warranty of title in a form prescribed by the director and printed thereon,
10 and the transferor shall deliver the same to the buyer at the time of
11 delivery to the buyer of the manufactured home or mobile home, or at a
12 time agreed upon by the parties, not to exceed 30 days, inclusive of
13 weekends and holidays, after the time of delivery. The sale of a mobile
14 home or manufactured home by a manufactured home dealer without such
15 delivery of an assigned certificate of title is fraudulent and void, and it
16 shall constitute a violation of the Kansas manufactured housing act. The
17 agreement of the parties shall be executed on a form provided by the
18 division. The requirements of this subsection concerning delivery of an
19 assigned title are satisfied, if the transferor mails to the transferee, by
20 restricted mail, the assigned certificate of title within the 30 days, and if
21 the transferor is a dealer, as defined by K.S.A. 58-4202, and amendments
22 thereto, such transferor shall be deemed to have possession of the
23 certificate of title, if the transferor has made application therefor to the
24 division.

25 The buyer shall then present such assigned certificate of title to the
26 division, and a new certificate of title shall be issued to the buyer upon
27 payment of the fee of ~~\$10~~ \$8. If such manufactured home or mobile home
28 is sold to a resident of another state or country, the dealer or person
29 making the sale shall notify the division of the sale and the division shall
30 make notation thereof in the records of the division. If any manufactured
31 home or mobile home is destroyed, dismantled or sold as junk, the owner
32 shall immediately notify the division by surrendering the original or
33 assigned certificate of title.

34 (i) When a person acquires a security agreement on a manufactured
35 home or mobile home subsequent to the issuance of the original title on
36 such manufactured home or mobile home, such person shall require the
37 holder of the certificate of title to surrender the same and sign an
38 application for a mortgage title in such form as prescribed by the director.
39 Upon such surrender, the person shall immediately deliver the certificate
40 of title, application and a fee of ~~\$10~~ \$8 to the division. Upon receipt
41 thereof the division shall issue a new certificate of title, showing the liens
42 or encumbrances so created, but not more than two liens or encumbrances
43 may be shown upon a title. The delivery of the certificate of title,

1 application and fee to the division shall perfect such person's security
2 interest in the manufactured home or mobile home described in the
3 certificate of title, as referenced in K.S.A. 2018 Supp. 84-9-311, and
4 amendments thereto. When a prior lienholder's name is removed from the
5 title, there must be satisfactory evidence presented to the division that the
6 lien or encumbrance has been paid. When the indebtedness to a lienholder,
7 whose name is shown upon a title, is paid in full, such lienholder, within
8 10 days after written demand by restricted mail, shall furnish to the holder
9 of the title a release of lien or execute such a release in the space provided
10 on the title. For failure to comply with such a demand, the lienholder shall
11 be liable to the holder of the title for \$100 and also shall be liable for any
12 loss caused to the holder by such failure. When the indebtedness to a
13 lienholder, whose name is shown upon a title, is collected in full, such
14 lienholder, within 30 days, shall furnish notice to the holder of title that
15 such indebtedness has been paid in full and that such title may be
16 presented to the lienholder at any time for release of lien.

17 (j) In the event of the sale of a manufactured home or mobile home
18 under the order of a court, the officer conducting such sale shall issue to
19 the purchaser a certificate naming the purchaser and reciting the facts of
20 the sale, which certificate shall be prima facie evidence of the ownership
21 of such purchaser for the purpose of obtaining a certificate of title to such
22 manufactured home or mobile home. Any such purchaser shall be allowed
23 30 days, inclusive of weekends and holidays, from the date of sale to make
24 application to the division for a certificate of title.

25 (k) Any dealer who has acquired a manufactured home or mobile
26 home, the title for which was issued under the laws of and in a state other
27 than the state of Kansas, shall not be required to retain a Kansas certificate
28 of title therefor during the time such manufactured home or mobile home
29 remains in such dealer's possession and at such dealer's established or
30 supplemental place of business for the purpose of sale. Upon the sale of
31 any such manufactured home or mobile home, the dealer immediately
32 shall deliver to the purchaser or transferee the certificate of title issued by
33 the other state, properly endorsed and assigned to the purchaser or
34 transferee, together with an affidavit executed by the dealer setting forth:

35 (1) That the dealer warrants to the purchaser or transferee and all
36 other persons who claim through the purchaser or transferee that, at the
37 time of the sale transfer and delivery by the dealers, the manufactured
38 home or mobile home was free and clear of all liens, mortgages and other
39 encumbrances, except those otherwise appearing on the title;

40 (2) the information shown on the title relating to all previous
41 assignments, including the names of all previous titleholders shown
42 thereon; and

43 (3) that the dealer has the right to sell and transfer the manufactured

1 home or mobile home.

2 Sec. 16. K.S.A. 74-2013 is hereby amended to read as follows: 74-
3 2013. Upon application signed by the owner or the owner's agent and
4 payment of a fee of ~~\$10~~ \$8 and surrender of the original title together with

9 follows: 79-3604. The tax levied under the Kansas retailers' sales tax act
10 shall be paid by the consumer or user to the retailer and it shall be the duty
11 of each and every retailer in this state to collect from the consumer or user,
12 the full amount of the tax imposed or an amount equal as nearly as
13 possible or practicable to the average equivalent thereof. Such tax shall be
14 a debt from the consumer or user to the retailer, when so added to the
15 original purchase price, and shall be recoverable at law in the same manner
16 as other debts, except that the tax levied on isolated or occasional sales of
17 motor vehicles or trailers within the state and upon the sales of taxable
18 tangible personal property or services when the director shall determine
19 the same to be necessary as hereinafter provided shall be paid and
20 collected as herein provided for.

41 any tangible personal property or services because of the nature of the
42 operation of the business including the turnover of independent
43 contractors, the lack of a place of business in which to display a

1 registration certificate or keep records, the lack of adequate records or
2 because such retailers are minors or transients there is a likelihood that the
3 state will lose tax funds due to the difficulty of policing such business
4 operations, it shall be the duty of the vendor to such person to collect the
5 full amount of the tax imposed by this act and to make a return and
6 payment of the tax to the director of taxation in like manner as that
7 provided for the making of returns and the payment of taxes by retailers
8 under the provisions of this act. The director shall notify the vendor or
9 vendors to such retailer of the duty to collect and make a return and
10 payment of the tax.

11 In the event the full amount of the tax provided by this act is not paid to
12 the retailer by the consumer or user, the director of taxation may proceed
13 directly against the consumer or user to collect the full amount of the tax
14 due on the retail sale.
