Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2018 Supp. 22-3001 is hereby amended to read as follows: 22-3001. (a) A majority of the district judges in any judicial district may order a grand jury to be summoned in any county in the district when it is determined to be in the public interest.

- (b) The district or county attorney in such attorney's county may petition the chief judge or the chief judge's designee in such district court to order a grand jury to be summoned in the designated county in the district to consider any alleged felony law violation, including any alleged misdemeanor law violation-which that arises as part of the same criminal conduct or investigation. The attorney general in any judicial district may petition the chief judge or the chief judge's designee in such judicial district to order a grand jury to be summoned in the designated county in the district to consider any alleged felony law violation, including any alleged misdemeanor law violation-which that arises as part of the same criminal conduct or investigation, if authorized by the district or county attorney in such judicial district or if jurisdiction is otherwise authorized by law. The chief judge or the chief judge's designee in the district court of the county shall then consider the petition and, if it is found that the petition is in proper form, as set forth in this subsection, shall order a grand jury to be summoned within 15 days after receipt of such petition.
- (c)(1) A citizen-initiated grand jury shall be summoned in any county within 60 days after a citizen-initiated petition praying therefor is presented to the district court, bearing the signatures of a number of electors equal to 100 plus 2% of the total number of votes cast for governor in the county in the last preceding election.
- (2) The *citizen-initiated* petition, upon its face, shall state the name, address and phone number of the person filing the petition, the subject matter of the prospective *citizen-initiated* grand jury, a reasonably specific identification of areas to be inquired into and sufficient general allegations to warrant a finding that such inquiry may lead to information—which, *that* if true, would warrant a true bill of indictment.

(3) (A) The *citizen-initiated* petition shall be in substantially the following form:

The undersigned qualified electors of the county of _____ and state of Kansas hereby request that the district court of _____ county, Kansas, within 60 days after the filing of this petition, cause a *citizen-initiated* grand jury to be summoned in the county to investigate alleged violations of law and to perform such other duties as may be authorized by law.

- (B) (i) The signatures to the *citizen-initiated* petition need not all be affixed to one paper, but each paper to which signatures are affixed shall have substantially the foregoing form written or printed at the top thereof. Each signer shall add to such signer's signature such signer's place of residence, giving the street and number or rural route number, if any. One of the signers of each paper shall verify upon oath that each signature appearing on the paper is the genuine signature of the person whose name it purports to be and that such signer believes that the statements in the petition are true.
- (ii) The *citizen-initiated* petition shall be filed in the office of the clerk of the district court who shall forthwith transmit it to the county election officer, who shall determine whether the persons whose signatures are affixed to the petition are qualified electors of the county. Thereupon, the county election officer shall return the petition to the clerk of the district court, together with such election officer's certificate stating the number of qualified electors of the county whose signatures appear on the petition and the aggregate number of votes cast for all candidates for governor in the county in the last preceding election.
- (iii) The judge or judges of the district court of the county shall then consider the *citizen-initiated* petition and, if it is found that the petition is in proper form and bears the signatures of the required number of electors, a *citizen-initiated* grand jury shall be ordered to be summoned. If a *citizen-initiated* grand jury is not summoned because of a finding that the petition, substantially in the form required by this subsection on its face, is not in proper form, the person who filed the petition and whose name, address and phone number appear on the face of each petition shall have the right to appeal the decision to not summon a *citizen-initiated* grand jury as a final judgment pursuant to K.S.A. 22-3601, and amendments thereto.
- (4) After a *citizen-initiated* grand jury is summoned pursuant to this subsection, but before it begins deliberations, the judge or judges of the district court of the county in which the petition is presented shall provide instructions to the *citizen-initiated* grand jury regarding its conduct and deliberations, which instructions shall include, but not be limited to, the following:
