

2020 Kansas Statutes

13-1336. Changes at intersections. When the construction or improvement of any boulevard shall necessitate a change of grade or a reconstruction of sidewalks, curbing or pavement upon the streets or alleys intersecting any boulevard, the board of park commissioners shall have power and authority to do all work on such intersecting streets, avenues or alleys necessary to make the grade and the improvements thereof conform, and the expense of such work shall be deemed a part of the expense of the improvement of such boulevard.

History: L. 1907, ch. 115, § 46; March 4; R.S. 1923, § 13-1336.
