

## 2020 Kansas Statutes

**19-2786. Same; petition by directors of an existing drainage district for incorporation; notice and hearing; proceedings.** That whenever a petition signed by the duly elected and qualified directors of a drainage district now in existence shall be presented to the board of county commissioners of the county in which said drainage district has been incorporated asking that said drainage district be incorporated as an improvement district, said petition being in conformity with the provisions of this act except it need be signed by the directors only, it shall be the duty of the board of county commissioners to forthwith fix a time for the hearing of said petition and to cause the county clerk to give notice thereof by one publication in some newspaper published in and of general circulation in the county at least five days before the day fixed for the hearing.

All proceedings thereafter shall be had by the board of county commissioners in conformity with the provisions of this act. That at the time set for the hearing of the petition it shall be the duty of the county commissioners to ascertain and determine whether notice of the time of the hearing as required by this act has been given, and, if it shall be determined that such notice has been given, to make a declaration and finding of that fact and cause same to be entered upon its records and thereupon to hear all persons in favor or opposed to granting said petition, and to ascertain whether the board of directors signing said petition are the duly elected and qualified directors of said drainage district and if upon hearing of evidence it shall be found that such petition is in conformity to the requirements of this act and the allegations thereof are true then such board of county commissioners shall make a finding and decision to that effect and shall thereupon immediately declare the territory described in the petition of the existing drainage district to constitute a public corporation and the inhabitants within such boundaries to be incorporated as an improvement district in accordance with the provisions of this act. Thereafter the said drainage district shall be known as "the \_\_\_\_\_ improvement district, \_\_\_\_\_ county, Kansas," and shall have all the powers that are herewith given to said improvement district, as provided in this act.

History: L. 1945, ch. 180, § 34; June 28.
