19-2833a. City lakes and parks in certain counties; tax levy, use of proceeds. The board of county commissioners of any county having a population of more than twenty thousand (20,000) and less than thirty thousand (30,000) and an assessed valuation of more than fifty-five million dollars (\$55,000,000) is hereby authorized to levy an annual tax on the taxable tangible property within the county to provide funds for the recreational improvement of a city lake and park established by any city of the second class located within the county and which park and lake are located outside the city and to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county. Whenever county funds are made available all residents of the county shall have equal access to the use of the city park and recreational improvements therein.
