

2020 Kansas Statutes

24-1106. Same; funds from Missouri; disbursement. The county treasurer of the proper county in Kansas is hereby authorized to and shall receive from any officer of the state of Missouri or any subdivision thereof such funds as shall then stand to or thereafter be received for the credit of such Missouri district. Such funds shall be placed to the credit of the Kansas district so consolidated to be disbursed for the purposes for which they were originally received for the credit of the former Missouri district. If the Kansas district was originally organized under article 6 of chapter 24 of the Kansas Statutes Annotated, as amended, then any moneys so received by such county treasurer as proceeds of a bond issue made by the former Missouri district shall be paid to the credit of the account of the Kansas district in the bank or trust company lawfully designated, to be disbursed as proceeds of a bond issue in accordance with K.S.A. 24-624 solely for the payment of the obligations of the former Missouri district, and for the purposes for which said bond money was acquired. Any funds received by the Kansas county treasurer resulting from a tax levy made by the former Missouri district for organization expenses shall be disbursed by him on warrants issued by the governing body of the Kansas district signed by the chairman and secretary. The governing body of the Kansas district in ordering payments thereof shall only do so in payment of organization expenses of the former Missouri district as such funds could be lawfully disbursed upon order of the former Missouri District. Any funds received by such Kansas county treasurer derived from a tax levy for maintenance or operating expenses shall likewise be disbursed by said Kansas county treasurer upon warrants as aforesaid, and such warrants shall only be ordered drawn in payment of obligations of the former Missouri district or attributable to it.

History: L. 1949, ch. 251, § 6; April 14.
