The insurance company may restrict the list to those companies or locations that meet reasonable standards of quality, service and safety.

(2) The insured may use a nonlisted company or location at the insured's sole discretion, and subject to the provisions of paragraph (3) of this subsection and subsection (c), the insurance company will fully and promptly pay for the cost of motor vehicle glass replacement, glass repair services or glass products provided, less any deductible under the terms of the policy.

(3) If the insured does not use a list as provided in paragraph (1) of subsection (b), the insurer may require the insured to obtain not more than three competitive bids to establish the cost of motor vehicle glass replacement, glass repair services or glass products provided.

(c) This section does not require an insurer to pay more for motor vehicle glass replacement, glass repair services or glass products than the lowest prevailing market price.

(d) Notwithstanding the provisions of this section, an insurance company may agree to pay the full cost of glass replacement or repair.

(e) For purposes of this section, "lowest prevailing market price" means the lowest market price in a local area.
