

2020 Kansas Statutes

40-2d08. Risk-based capital plan; notification by commissioner. Within 60 days after the submission by a health organization of an RBC plan to the commissioner, the commissioner shall notify the health organization whether the RBC plan shall be implemented or is, in the judgment of the commissioner, unsatisfactory. If the commissioner determines the RBC plan is unsatisfactory, the notification to the health organization shall state the reasons for the determination, and may state proposed revisions which, in the judgments of the commissioner, will render the RBC plan satisfactory. Upon notification from the commissioner, the health organization shall prepare a revised RBC plan and shall submit the revised RBC plan to the commissioner:

- (a) Within 45 days after the notification from the commissioner; or
- (b) within 45 days after a notification to the health organization that the commissioner has, pursuant to K.S.A. 40-2d19, and amendments thereto, rejected the health organization's challenge to the commissioner's original findings as authorized by this section.
