

2020 Kansas Statutes

40-2228b. Same; notice of lapse or termination; designation of person in addition to applicant to receive notice, waiver; change of designation. (a) No long-term care policy or certificate shall be issued until the insurer has received from the applicant either a written designation of at least one person, in addition to the applicant, who is to receive notice of lapse or termination of the policy or certificate for nonpayment of premium, or a written waiver dated and signed by the applicant electing not to designate additional persons to receive such notice.

(b) The applicant has the right to designate at least one person who is to receive the notice of termination, in addition to the insured. Designation of an additional person to receive notice of lapse or termination shall not constitute acceptance of any liability by such person for services provided to the insured. The designation shall include the full name and home address of such additional person.

(c) The policy or certificate shall include a waiver stated in clear terms in the case of an applicant who elects not to designate an additional person. The waiver shall state that the applicant has the right to designate at least one person other than the applicant who will receive notice of any lapse or termination of the long-term care policy or certificate and that the applicant elects not to designate an additional person to receive such notice.

(d) The insurer shall notify the insured of the right to change this written designation, no less often than once every two years.
