

2020 Kansas Statutes

47-629b. Sale of virulent hog-cholera virus to unauthorized purchasers unlawful. It shall be unlawful for any person to sell or offer for sale any virulent hog cholera virus to another unless the purchaser is: (1) A holder of a permit from the animal health commissioner, currently in effect, authorizing such person to inject virulent hog cholera virus; or (2) a distributor of veterinarian supplies authorized by the animal health commissioner to handle and sell such virus.

History: L. 1961, ch. 255, § 3; L. 1989, ch. 156, § 29; L. 2012, ch. 140, § 50; July 1.
