48-932. States of local disaster emergency; effect; powers and duties of county and city officials. (a) A state of local disaster emergency may be declared by the chairman of the board of county commissioners of any county, or by the mayor or other principal executive officer of each city of this state having a disaster emergency plan, upon a finding by such officer that a disaster has occurred or the threat thereof is imminent within such county or city. No state of local disaster emergency shall be continued for a period in excess of seven days or renewed, except with the consent of the board of county commissioners of such county or the governing body of such city. Any order or proclamation declaring, continuing or terminating a local disaster emergency shall be given prompt and general publicity and shall be filed with the county clerk or city clerk. Any such declaration may be reviewed, amended or revoked by the board of county commissioners or the governing body of the city, respectively, at a meeting of such governing body.

(b) In the event of the absence of the chairman of the board of county commissioners from the county or the incapacity of such chairman, the board of county commissioners, by majority action of the remaining members thereof, may declare a state of local disaster emergency in the manner provided in and subject to the provisions of subsection (a). In the event of the absence of the mayor or other principal executive officer of a city from the city or the incapacity of such mayor or officer, the governing body of the city, by majority action of the remaining members thereof, may declare a state of local disaster emergency in the manner provided in and subject to the provisions of subsection (a). Any state of local disaster emergency and any actions taken pursuant to applicable local and interjurisdictional disaster emergency plans, under this subsection shall continue and have full force and effect as authorized by law unless modified or terminated in the manner prescribed by law.

(c) The declaration of a local disaster emergency shall activate the response and recovery aspects of any and all local and interjurisdictional disaster emergency plans which are applicable to such county or city, and shall initiate the rendering of aid and assistance thereunder.

(d) No interjurisdictional disaster agency or any official thereof may declare a local disaster emergency, unless expressly authorized by the agreement pursuant to which the agency functions. However, an interjurisdictional disaster agency shall provide aid and services in accordance with the agreement pursuant to which it functions in the case of a state of local disaster emergency declared under subsection (a).
