

2020 Kansas Statutes

72-6283. Epinephrine kits; requirements. Any accredited school may maintain an epinephrine kit. An epinephrine kit may consist of one or more doses of epinephrine. Epinephrine from an epinephrine kit shall be used only in emergency situations when the person administering the epinephrine reasonably believes that the signs and symptoms of an anaphylactic reaction are occurring and if administered at school, on school property or at a school-sponsored event. A school may not maintain an epinephrine kit unless the school has consulted with a pharmacist licensed by the state board of pharmacy. The consultant pharmacist shall have supervisory responsibility for maintaining the epinephrine kit. The consultant pharmacist shall be responsible for developing procedures, proper control and accountability for the epinephrine kit. Periodic physical inventory of the epinephrine kit shall be required. An epinephrine kit shall be maintained under the control of the consultant pharmacist.
