

2020 Kansas Statutes

75-5617. Disposition of property of agency where functions divided and transferred; determination by governor. In all cases where, under the provisions of this order, part or all of the powers, duties and functions of any existing state agency are divided between the department of health and environment and any other existing state agency or newly created department, division or officer, the department of health and environment shall succeed to all property and records which were used for, or pertained to, the performance of the powers, duties and functions transferred to it. Any conflict as to the proper disposition of such property or records arising under this section, and resulting from the transfer or abolishment, of any existing state agency, or all or part of the powers, duties and functions thereof, shall be determined by the governor, whose decision shall be final.
