(c) There shall be subtracted from federal taxable income: (i) The same modifications as are set forth in K.S.A. 79-32,117(c), and amendments thereto, with respect to resident individuals, except subsection (c)(xx); (ii) the federal income tax liability for any taxable year commencing prior to December 31, 1971, for which a Kansas return was filed after reduction for all credits thereon, except credits for payments on estimates of federal income tax, credits for gasoline and lubricating oil tax, and for foreign tax credits if, on the Kansas income tax return for such prior year, the federal income tax deduction was computed on the basis of the federal income tax paid in such prior year, rather than as accrued. Notwithstanding the foregoing, the deduction for federal income tax liability for any year shall not exceed that portion of the total federal income tax liability for such year which bears the same ratio to the total federal income tax liability for such year as the Kansas taxable income, as computed before any deductions for federal income taxes and after application of subsections (d) and (e) of this section as existing for such year, bears to the federal taxable income for the same year; (iii) an amount for the amortization deduction allowed pursuant to K.S.A. 79-32,221, 79-32,227, 79-32,232, 79-32,237, 79-32,249, 79-32,250, 79-32,255 or 79-32,256, and amendments thereto; (iv) for all taxable years commencing after December 31, 1987, the amount included in federal taxable income pursuant to the provisions of section 78 of the internal revenue code; and (v) for all taxable years commencing after December 31, 1987, 80% of dividends from corporations incorporated outside of the United States or the District of Columbia which are included in federal taxable income.

(d) If any corporation derives all of its income from sources within Kansas in any taxable year commencing after December 31, 1979, its Kansas taxable income shall be the sum resulting after application of subsections (a) through (c) hereof. Otherwise, such corporation's Kansas taxable income in any such taxable year, after excluding any refunds of federal income tax and before the deduction of federal income taxes provided by subsection (c)(ii) shall be allocated as provided in K.S.A. 79-3271 to K.S.A. 79-3293, inclusive, and amendments thereto, plus any refund of federal income tax as determined under K.S.A. 79-32,117(b)(iv), and amendments thereto,

and minus the deduction for federal income taxes as provided by subsection (c)(ii) shall be such corporation's Kansas taxable income.
