

Journal of the Senate

FIFTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, April 1, 2022, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

The April Fool We Don't Have To Be
Proverbs 15:21, 17:28; Psalm 14:1, 53:1

Heavenly Father, today, April 1st is called April Fool's Day. But irrespective of the day, we find that foolishness is always possible. And we need to be careful, because April 1st is not the only day for fools.

My Godly grandmother was familiar with Your Word in Proverbs 17:28. If I was talking too much, she would say "When you keep your mouth shut, people won't know how foolish you are." Proverbs 17:28 says, "Even a fool who keeps silent is considered wise; when he closes his lips he is considered intelligent." Regardless of the day, You're the only one who can really define foolishness.

In Psalm 14:1 and 53:1, the fool hath said in his heart there is no God. You said in Proverbs 15:21 that folly and foolishness is pleasure to one who lacks sense but a person of wisdom walks straight. Lord, when all is said and done let it be said that in this house on April 1st, and everyday thereafter, we have days of wisdom.

Thank You Lord for hearing this prayer. In Jesus' Name. Amen.

The Pledge of Allegiance was led by President Masterson.

~~(c)~~ (e) When a defendant described in subsection (a) is sentenced pursuant to K.S.A. 2021 Supp. 21-6824, and amendments thereto, the district court from which the defendant is on parole, on probation, assigned to a community correctional services

program or under suspended sentence may transfer jurisdiction of the defendant with the concurrence of the receiving district court and all parties.

(c) (1) When a defendant described in subsection (a) is being sentenced and is already being supervised on parole, probation, assignment to a community correctional services program or under suspended sentence, the district court by which the defendant is currently being supervised may use the guidelines provided in this subsection to determine whether it is appropriate to transfer jurisdiction of the defendant to a different district court.

(2) If the new sentence would place the defendant under the supervision of two supervision entities or agencies, the court may consider:

(A) Granting jurisdiction to the court with jurisdiction over the offense that has the longest underlying sentence of imprisonment; and

(B) whether the severity of the new offense requires a higher level of supervision. If a higher level of supervision is not required, there may be a preference for maintaining supervision of the defendant by the current supervising entity or agency for the duration of supervision. If a higher level of supervision is required, there may be a preference for transferring supervision responsibility of the defendant to the appropriate supervision entity or agency for the duration of supervision.

(3) If two or more supervision entities or agencies are supervising the defendant for sentences that are equal, the court may consider:

(A) The residency of the defendant;

(B) the ability of the defendant to travel to the supervision office from the defendant's residence, place of employment and school;

(C) resources for residential and nonresidential sanctions or rehabilitative treatment available from each supervision entity or agency; and

(d) The district court from which the defendant is on parole, probation, assignment to a community correctional services program or suspended sentence may retain jurisdiction of the defendant. If the court retains jurisdiction, the defendant shall be supervised by one supervision entity or agency. The department of corrections and the office of judicial administration shall enter into a memorandum of understanding providing that a defendant on parole, probation, assignment to a community correctional services program or suspended sentence shall be supervised by one supervision entity or agency. Such memorandum of understanding shall include, but not be limited to, provisions related to:

(c) Upon receipt of the criminal history worksheet prepared for the court, the offender shall immediately notify the district attorney and the court with written notice of any error in the proposed criminal history worksheet. Such notice shall specify the exact nature of the alleged error. The state shall have the burden of proving the disputed portion of the offender's criminal history. The sentencing judge shall allow the state reasonable time to produce evidence to establish its burden of proof. If the offender later challenges such offender's criminal history, which has been previously established, the burden of proof shall shift to the offender to prove such offender's criminal history by a preponderance of the evidence.

(d) If an offender raises a challenge to the offender's criminal history for the first time on appeal, the offender shall have the burden of designating a record that shows prejudicial error. If the offender fails to provide such record, the appellate court shall dismiss the claim. In designating a record that shows prejudicial error, the offender may provide the appellate court with journal entries of the challenged criminal history that were not originally attached to the criminal history worksheet, and the state may provide the appellate court with journal entries establishing a lack of prejudicial error. The court may take judicial notice of such journal entries, complaints, plea agreements, jury instructions and verdict forms for Kansas convictions when determining whether prejudicial error exists. The court may remand the case if there is a reasonable question as to whether prejudicial error exists.

Sec. 5. K.S.A. 2021 Supp. 21-6820 is hereby amended to read as follows: 21-6820. (a) A departure sentence or a ruling on a motion filed pursuant to K.S.A. 22-3504, and amendments thereto, is subject to appeal by the defendant or the state. The appeal shall be to the appellate courts in accordance with rules adopted by the supreme court.

(b) Pending review of the sentence, the sentencing court or the appellate court may order the defendant confined or placed on conditional release, including bond.

(c) On appeal from a judgment of conviction entered for a felony committed on or after July 1, 1993, the appellate court shall not review:

- (1) Any sentence that is within the presumptive sentence for the crime; or
- (2) any sentence resulting from an agreement between the state and the defendant which the sentencing court approves on the record.

(d) In any appeal from a judgment of conviction imposing a sentence that departs from the presumptive sentence prescribed by the sentencing grid for a crime, sentence review shall be limited to whether the sentencing court's findings of fact and reasons justifying a departure:

- (1) Are supported by the evidence in the record; and
 - (2) constitute substantial and compelling reasons for departure.
- (e) In any appeal from a judgment of conviction, the appellate court may review a claim that:

- (1) A sentence that departs from the presumptive sentence resulted from partiality, prejudice, oppression or corrupt motive;
- (2) the sentencing court erred in either including or excluding recognition of a prior conviction or juvenile adjudication for criminal history scoring purposes; or

(3) the sentencing court erred in ranking the crime severity level of the current crime or in determining the appropriate classification of a prior conviction or juvenile adjudication for criminal history purposes.

(f) The appellate court may reverse or affirm the sentence. If the appellate court concludes that the trial court's factual findings are not supported by evidence in the record or do not establish substantial and compelling reasons for a departure, it shall remand the case to the trial court for resentencing.

(g) The appellate court shall issue a written opinion whenever the judgment of the sentencing court is reversed. The court may issue a written opinion in any other case when it is believed that a written opinion will provide guidance to sentencing judges and others in implementing the sentencing guidelines adopted by the Kansas sentencing commission. The appellate courts may provide by rule for summary disposition of cases arising under this section when no substantial question is presented by the appeal.

(h) A review under summary disposition shall be made solely upon the record that was before the sentencing court. Written briefs shall not be required unless ordered by the appellate court and the review and decision shall be made in an expeditious manner according to rules adopted by the supreme court.

(i) ~~The sentencing court shall retain authority irrespective of any notice of appeal for 90 days after entry of judgment of conviction to modify its judgment and sentence to correct any arithmetic or clerical errors to correct an illegal sentence or clerical error pursuant to K.S.A. 22-3504, and amendments thereto. Notwithstanding the provisions of K.S.A. 22-3504, and amendments thereto, if a motion to correct an illegal sentence is filed while a direct appeal is pending, any change in the law that occurs during the pending direct appeal shall apply.~~

(j) The amendments made to this section by ~~this act~~ section 14 of chapter 59 of the 2019 Session Laws of Kansas are procedural in nature and shall be construed and applied retroactively.

(A) On a first conviction, the person convicted shall be sentenced to not less than 48 consecutive hours nor more than six months' imprisonment, or in the court's discretion 100 hours of public service, and fined not less than \$750.

(B) On second or subsequent conviction, the person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than \$1,250. The following conditions shall apply to such sentence:

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum sentence is met. If the person is placed into a work release program or placed under a house arrest program for more than the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum of 120 hours of confinement is completed, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(2) (A) Operating an aircraft under the influence is a severity level 6, nonperson felony if the offense occurred while the person convicted is prohibited from operating an aircraft:

(2) The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the investigation or arrest.

(c) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct any search of a person's breath or other bodily substance, other than blood or urine, incident to a lawful arrest pursuant to the constitution of the United States, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(d) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct or obtain a blood or urine test of a person pursuant to a warrant under K.S.A. 22-2502, and amendments thereto, the constitution of the United States or a judicially recognized exception to the search warrant requirement, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(e) A law enforcement officer may direct a medical professional, as described in subsection (f), to draw one or more samples of blood from a person to determine the blood's alcohol or drug concentration if:

(1) The person has given consent and meets the requirements of subsection (b);

(2) law enforcement has obtained a search warrant authorizing the collection of blood from the person; or

(3) the person refuses or is unable to consent to, submit to and complete a test, and another judicially recognized exception to the warrant requirement applies.

(f) If a law enforcement officer is authorized to collect one or more tests of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by:

(1) A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;

(2) a registered nurse or a licensed practical nurse;

(3) any qualified medical technician, including, but not limited to, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or

(4) a phlebotomist.

(g) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample of blood as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized in this section to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawal of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person that is the subject of the test or tests to provide any additional consent or sign any waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent. Such sample or samples shall be an independent sample and not be a

portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document if provided by law enforcement.

(h) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or healthcare staff during the drawing of the sample and without interfering with medical treatment.

(i) (1) If a law enforcement officer is authorized to collect one or more tests of urine, the collection of the urine sample shall be supervised by:

(A) A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;

(B) a registered nurse or a licensed practical nurse; or

(C) a law enforcement officer of the same sex as the person being tested.

(2) The collection of the urine sample shall be conducted out of the view of any person other than the person supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer.

(3) The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence.

(4) If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (g) and (i) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of an aircraft while under the influence of alcohol or drugs, or a combination of alcohol and any drug or drugs.

(l) No test shall be suppressed because of irregularities not affecting the substantial rights of the accused in the consent or notice authorized pursuant to this section.

(m) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant or other judicially recognized exception to the warrant requirement.

(n) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person when available.

(o) The person tested shall have a reasonable opportunity to have an additional chemical test by a physician of such person's own choosing. If the law enforcement officer refuses to permit such additional chemical test to be taken, the original test shall not be competent evidence.

(p) (1) The testing and method of testing consented to under this section shall not be considered to have been conducted for any medical care or treatment purpose. The results of such test, the person's name whose bodily substance is drawn or tested, the location of the test or procedure, the names of all health care providers and personnel

who participated in the procedure or test and the date and time of the test or procedure are required by law to be provided to the requesting law enforcement officer or the law enforcement officer's designee after the requesting law enforcement officer has complied with this section.

(2) All costs of conducting any procedure or test requested by a law enforcement agency and authorized by this section, including the costs of the evidence collection kits, shall be charged to and paid by the county where the alleged offense was committed. Such county may be reimbursed such costs upon the costs being paid by the defendant as court costs assessed pursuant to K.S.A. 28-172a, and amendments thereto.

(3) The cost assessed under this section shall be the then-current medicaid rate for any such procedure or test, or both.

(4) Notwithstanding any other law to the contrary, the collection and delivery of the sample and required information to the law enforcement officer pursuant to this section shall not be subject to the physician-patient privilege or any other law that prohibits the transfer, release or disclosure of the sample or of the required information.

(q) No medical care facility, clinical laboratory, medical clinic, other medical institution, person licensed to practice medicine or surgery, person acting under the direction of any such licensed person, licensed physician assistant, registered nurse, licensed practical nurse, medical technician, paramedic, advanced emergency medical technician, phlebotomist, healthcare provider or person who participates in good faith in the obtaining, withdrawal, collection or testing of blood, breath, urine or other bodily substance at the direction of a law enforcement officer pursuant to this section, or as otherwise authorized by law, shall incur any civil, administrative or criminal liability as a result of such participation, regardless of whether or not the patient resisted or objected to the administration of the procedure or test.

(r) Sections 1 through 4, and amendments thereto, are remedial law and shall be liberally construed to promote public health, safety and welfare.

New Sec. 3. (a) A law enforcement officer may request a person who is operating or attempting to operate an aircraft within this state to submit to a preliminary screening test of the person's breath or oral fluid, or both, if the officer has reasonable suspicion to believe the person has been operating or attempting to operate an aircraft while under the influence of alcohol or drugs, or a combination of alcohol and any drug or drugs.

(b) If the person submits to the test, the results shall be used for the purpose of assisting law enforcement officers in determining whether an arrest should be made and whether to request the tests authorized by section 2, and amendments thereto. A law enforcement officer may arrest a person based in whole or in part upon the results of a preliminary screening test. Such results shall not be admissible in any civil or criminal action concerning the operation of or attempted operation of an aircraft except to aid the court in determining a challenge to the validity of the arrest or the validity of the request to submit to a test pursuant to section 2, and amendments thereto. Following the preliminary screening test, additional tests may be requested pursuant to section 2, and amendments thereto.

(c) Any preliminary screening of a person's breath shall be conducted with a device approved pursuant to K.S.A. 65-1,107, and amendments thereto. Any preliminary screening of a person's oral fluid shall be conducted in accordance with rules and regulations, if any, approved pursuant to K.S.A. 75-712h, and amendments thereto.

(e) "Other competent evidence" includes:

(1) Alcohol concentration tests obtained from samples taken four hours or more after the operation or attempted operation of an aircraft; and

(2) readings obtained from a partial alcohol concentration test on a breath testing machine.

(a) (1) In any hearing or trial, a report concerning forensic examinations and certificate of forensic examination executed pursuant to this section shall be admissible in evidence if the report and certificate are prepared and attested by a criminalist or other employee of the Kansas bureau of investigation, Kansas highway patrol, Johnson County sheriff's laboratory, Sedgwick County regional forensic science center, or any laboratory of the federal bureau of investigation, federal postal inspection service, federal bureau of alcohol, tobacco and firearms or federal drug enforcement administration. If the examination involves a breath test for alcohol content, the report must also be admissible pursuant to K.S.A. 8-1001, and amendments thereto, or section 2, and amendments thereto, and be conducted by a law enforcement officer or other person who is certified by the department of health and environment as a breath test operator as provided by K.S.A. 65-1,107 et seq., and amendments thereto.

(3) Whenever a party intends to proffer in a criminal or civil proceeding, a certificate executed pursuant to this section, notice of an intent to proffer that certificate and the reports relating to the analysis in question, including a copy of the certificate, shall be conveyed to the opposing party or parties at least 21 days before the beginning of a hearing where the proffer will be used. Whenever a notice of objection is filed, admissibility of the certificate shall be determined not later than two days before the beginning of the trial. A proffered certificate shall be admitted in evidence unless it appears from the notice of objection and grounds for that objection that the conclusions of the certificate, including the composition, quality or quantity of the substance submitted to the laboratory for analysis or the alcohol content of a blood or breath sample will be contested at trial. A failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the admission of the certificate. The time limitations set forth in this section may be extended upon a showing of good cause.

~~(3)~~(4) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person's present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and the defendant's attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent, the proceedings pending against the defendant shall be resumed.

~~(4)~~(5) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime charged at the time of commitment ~~may shall~~ be credited with all ~~or any part~~ of the time during which the defendant was committed and confined in such public institution or facility.

(c) (1) Except as provided in subsection (d), if a defendant is ordered or met criteria to receive an evaluation and treatment on an outpatient basis conducted by the state

security hospital or its agent or a state hospital or its agent, the chief medical officer shall certify to the court, within 90 days after commencement of treatment, whether the defendant has a substantial probability of attaining competency to stand trial in the foreseeable future.

(2) If such probability does exist, the court shall order the defendant to remain in jail or at a secure location, on pretrial release pursuant to K.S.A. 22-2802, and amendments thereto, or at an appropriate setting until the defendant attains competency to stand trial or for a period of six months from the date of the commencement of outpatient treatment, whichever occurs first. If such probability does not exist, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(3) If a defendant who was found to have had a substantial probability of attaining competency to stand trial, as provided in paragraph (2), has not attained competency to stand trial within six months from the date of the original commitment, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(4) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person's present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and the defendant's attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent,

the proceedings pending against the defendant shall be resumed.

(5) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime charged at the time of commitment shall be credited with all of the time during which the defendant was committed and confined in such public institution or facility.

(d) (1) If the defendant is ordered or met criteria to receive an evaluation and treatment on an outpatient basis and the chief medical officer of the appropriate state, county or private institution or facility determines that the defendant's mental health condition or behaviors warrant terminating outpatient treatment services and commencing evaluation and treatment on an inpatient basis, the chief medical officer of the institution or the head of the facility shall provide a report to the court within 10 days after outpatient treatment services are terminated. Such report shall certify the date that outpatient treatment was terminated and the reason inpatient evaluation and treatment services are recommended. A copy of such report shall be provided to the chief medical officer of the state security hospital. Upon receipt of such report, the court shall issue any orders or warrants required to facilitate the sheriff of the county where the charges are filed to take the defendant into custody and transport such defendant to the state security hospital or its agent or a state hospital or its agent for admission for inpatient services. The chief medical officer shall submit a report pursuant to subsection (e) as to whether the defendant has attained competency within 90 days of the defendant's admission to such hospital for inpatient evaluation and treatment.

(2) The court, prosecuting attorney where criminal charges are pending, the defense counsel for a defendant charged with a felony offense who is receiving outpatient evaluation and treatment services and the chief medical officer of any institution or the head of any facility where the defendant is receiving outpatient services shall provide requested documentation to the state security hospital or its agent or the state hospital or its agent for the purpose of managing inpatient admission.

(e) (1) If the defendant is charged with a felony offense, the court may order a defendant to receive inpatient evaluation and treatment at an appropriate state, county or private institution or facility after considering the defendant's mental condition, behaviors and the availability of outpatient evaluation and treatment options. The chief medical officer of the institution or the head of the facility shall certify to the court, within 90 days after the commencement of inpatient treatment, whether the defendant has a substantial probability of attaining competency to stand trial in the foreseeable future.

(2) If such probability does exist, the court shall order the defendant to remain in jail or at a secure location, on pretrial release pursuant to K.S.A. 22-2802, and amendments thereto, or at an appropriate setting until the defendant attains competency to stand trial or for a period of six months from the date of the commencement of inpatient treatment, whichever occurs first. If such probability does not exist, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-

3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(3) If a defendant who was found to have had a substantial probability of attaining competency to stand trial, as provided in paragraph (2), has not attained competency to stand trial within six months from the date of the original commitment, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, "mentally ill person subject to involuntary commitment for care and treatment" means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(4) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person's present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and the defendant's attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent, the proceedings pending against the defendant shall be resumed.

(5) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime charged at the time of commitment shall be credited with all of the time during which the defendant was committed and confined in such public institution or facility.

(f) (1) Notwithstanding the provisions of K.S.A. 59-29a22, and amendments thereto, psychotropic medications may be prescribed for any defendant who is ordered or has met the criteria to receive evaluation and treatment on an inpatient or outpatient basis at an appropriate state, county or private institution or facility.

(2) Psychotropic medications shall be prescribed, ordered and administered in conformity with accepted clinical practice. Psychotropic medication shall be administered only upon the written order of a physician or upon a verbal order noted in the defendant's medical records and subsequently signed by the physician. The attending physician shall regularly review the drug regimen of each defendant under such physician's care and shall monitor any symptoms of harmful side effects.

(3) Whenever any defendant is receiving psychotropic medications that alter the

defendant's mental state in such a way as to adversely affect the defendant's judgment or hamper the defendant in preparing for or participating in any hearing provided for by this section, for two days prior to and during any such hearing, the treatment institution or facility shall not administer such medication or treatment unless such medication or treatment is necessary to sustain the defendant's life or to protect the defendant or others. Prior to the hearing, a report of all psychotropic medications or other treatment that has been administered to the defendant and a copy of any written consent signed by the defendant shall be submitted to the court. Counsel for the defendant may preliminarily examine the attending physician regarding the administration of any medication to the defendant within two days of the hearing and the effect that medication may have had on the defendant's judgment or ability to prepare for or participate in the hearing. If the court determines that medication or other treatment has been administered that adversely affects the defendant's judgment or ability to prepare for or participate in the hearing, the court may grant the defendant a reasonable continuance to allow for the defendant to be better able to prepare for or participate in the hearing. The court shall order that such medication or other treatment be discontinued until the conclusion of the hearing unless the court finds that such medication or other treatment is necessary to sustain the defendant's life or to protect the defendant or others. If the court makes such a finding, the court shall order the hearing to proceed.

(4) If a defendant who is charged with a felony is receiving treatment pursuant to this section and is not deemed a present danger to self or others objects to taking any medication prescribed for the purpose of restoring the defendant to competency, the defendant's objection shall be recorded in the defendant's medical record and written notice of such objection shall be forwarded to the medical director of the treatment institution or facility or the director's designee and to the court where the criminal charges are pending. The medication may be administered over the defendant's objection only if the court finds that:

(A) The medication is substantially unlikely to have side effects that may undermine the fairness of the trial;

(B) the medication is medically appropriate;

(C) less intrusive alternatives have been considered;

(D) the medication is necessary to advance significantly important governmental trial interests; and

(E) the administrative head or law enforcement official in charge of the jail has agreed to having the medication administered over the defendant's objection in the jail.

(5) No experimental medication shall be administered without the consent of the defendant or such defendant's legal guardian.

Sec. 9. K.S.A. 2021 Supp. 22-3305 is hereby amended to read as follows: 22-3305. ~~(4)~~(a) Whenever involuntary commitment proceedings have been commenced by the secretary for aging and disability services or the prosecuting attorney as required by K.S.A. 22-3303, and amendments thereto, and the defendant is not committed to a treatment institution or facility as a patient, the defendant shall remain in the institution or facility where committed pursuant to K.S.A. 22-3303, and amendments thereto. The secretary for aging and disability services or the prosecuting attorney shall promptly notify the court and the ~~county or district~~ prosecuting attorney of the county ~~in which~~ where the criminal proceedings are pending for the purpose of providing victim

notification, of the result of the involuntary commitment proceeding.

~~(2)~~(b) Whenever involuntary commitment proceedings have been commenced by the secretary for aging and disability services or the prosecuting attorney as required by K.S.A. 22-3303, and amendments thereto, and the defendant is committed to a treatment institution or facility as a patient but thereafter is to be discharged pursuant to the care and treatment act for mentally ill persons, the defendant shall remain in the institution or facility where committed pursuant to K.S.A. 22-3303, and amendments thereto, and the head of the treatment institution or facility shall promptly notify the court and the ~~county or district~~ prosecuting attorney of the county in which where the criminal proceedings are pending for the purpose of providing victim notification, that the defendant is to be discharged.

(c) ~~When giving notification to the court and the county or district prosecuting attorney pursuant to subsection (1) (a) or (2) (b), the treatment institution or facility shall include in such notification an opinion from the head of the treatment institution or facility as to whether or not the defendant is now competent to stand trial. Upon request of the county or district prosecuting attorney, the court may set a hearing on the issue of whether or not the defendant has been restored to competency. If such hearing request is granted, the county or district prosecuting attorney shall provide victim notification regarding the hearing date. Such hearing request shall be filed within 14 days of completion of the notification from the head of the treatment institution or facility pursuant to subsection (a) or (b). The hearing shall take place within 21 days after receipt of the hearing request unless the court finds that exceptional circumstances warrant delay of the hearing. If no such hearing request is made within 14 days after receipt of notice pursuant to subsection (1) (a) or (2) (b), the court shall order the defendant to be discharged from commitment and shall dismiss without prejudice the charges against the defendant, and the period of limitation for the prosecution for the crime charged shall not continue to run until the defendant has been determined to have attained competency in accordance with K.S.A. 22-3302, and amendments thereto. The county or district prosecuting attorney shall provide victim notification regarding the discharge order.~~

Sec. 10. K.S.A. 2021 Supp. 22-3428 is hereby amended to read as follows: 22-3428. ~~(1)~~(a) (1) When a defendant is acquitted and the jury answers in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto, the defendant shall be committed to the state security hospital or an appropriate secure facility for safekeeping and treatment and the ~~county or district~~ prosecuting attorney shall provide victim notification. A finding of not guilty and the jury answering in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto, shall be prima facie evidence that the acquitted defendant is presently likely to cause harm to self or others.

~~(b)~~(2) Within 90 days of the defendant's admission, the chief medical officer of the state security hospital or licensed psychologist at the appropriate secure facility shall send to the court a written evaluation report. Upon receipt of the report, the court shall set a hearing to determine whether or not the defendant is currently a mentally ill person. The hearing shall be held within 30 days after the receipt by the court of the chief medical officer's report unless the court finds that exceptional circumstances warrant delay of the hearing.

~~(c)~~(3) The court shall give notice of the hearing to the chief medical officer of the

state security hospital or licensed psychologist at the appropriate secure facility, the ~~district or county prosecuting~~ attorney, the defendant and the defendant's attorney. The ~~county or district prosecuting~~ attorney shall provide victim notification. The court shall inform the defendant that such defendant is entitled to counsel and that counsel will be appointed to represent the defendant if the defendant is not financially able to employ an attorney as provided in K.S.A. 22-4503 et seq., and amendments thereto. The defendant shall remain at the state security hospital pending the hearing.

~~(4)~~(4) At the hearing, the defendant shall have the right to present evidence and cross-examine witnesses. At the conclusion of the hearing, if the court finds by clear and convincing evidence that the defendant is not currently a mentally ill person, the court shall dismiss the criminal proceeding and discharge the defendant, otherwise the court may commit the defendant to the state security hospital or an appropriate secure facility for treatment or may place the defendant on conditional release pursuant to subsection ~~(4)~~ (d). The ~~county or district prosecuting~~ attorney shall provide victim notification regarding the outcome of the hearing.

~~(2)~~(b) Subject to the provisions of subsection ~~(3)~~ (c):

~~(a)~~(1) Whenever it appears to the chief medical officer of the state security hospital or a licensed psychologist at the appropriate secure facility that a person committed under subsection ~~(1)~~ (d) ~~(a)~~ (4) is not likely to cause harm to other persons in a less restrictive hospital environment, the officer may transfer the person to any state hospital, subject to the provisions of subsection ~~(3)~~ (c). At any time subsequent thereto during which such person is still committed to a state hospital, if the chief medical officer of that hospital or the licensed psychologist at the appropriate secure facility finds that the person may be likely to cause harm or has caused harm, to others, such officer may transfer the person back to the state security hospital.

~~(b)~~(2) Any person committed under subsection ~~(1)~~ (d) ~~(a)~~ (4) may be granted conditional release or discharge as an involuntary patient.

~~(3)~~ (c) Before transfer of a person from the state security hospital or appropriate secure facility pursuant to subsection ~~(2)~~ (a) ~~(b)~~ (1) or conditional release or discharge of a person pursuant to subsection ~~(2)~~ (b) ~~(b)~~ (2), the chief medical officer of the state security hospital or the state hospital where the patient is under commitment or the licensed psychologist at the appropriate secure facility shall give notice to the district court of the county from which the person was committed that transfer of the patient is proposed or that the patient is ready for proposed conditional release or discharge. Such notice shall include, but not be limited to: ~~(a)~~ (1) Identification of the patient; ~~(b)~~ (2) the course of treatment; ~~(c)~~ (3) a current assessment of the defendant's mental illness; ~~(d)~~ (4) recommendations for future treatment, if any; and ~~(e)~~ (5) recommendations regarding conditional release or discharge, if any. Upon receiving notice, the district court shall order that a hearing be held on the proposed transfer, conditional release or discharge. The court shall give notice of the hearing to the appropriate secure facility, state hospital or state security hospital where the patient is under commitment, to the ~~district or county prosecuting~~ attorney of the county from which the person was originally ordered committed. The ~~county or district prosecuting~~ attorney shall provide victim notification regarding the hearing. The court shall order the involuntary patient to undergo a mental evaluation by a person designated by the court. A copy of all orders of the court shall be sent to the involuntary patient and the patient's attorney. The report of the court ordered mental evaluation shall be given to the ~~district or county~~

prosecuting attorney, the involuntary patient and the patient's attorney at least seven days prior to the hearing. The hearing shall be held within 30 days after the receipt by the court of the chief medical officer's notice unless the court finds that exceptional circumstances warrant delay of the hearing. The involuntary patient shall remain in the appropriate secure facility, state hospital or state security hospital where the patient is under commitment until the hearing on the proposed transfer, conditional release or discharge is to be held. At the hearing, the court shall receive all relevant evidence, including the written findings and recommendations of the chief medical officer of the state security hospital or the state hospital or the licensed psychologist of the appropriate secure facility where the patient is under commitment, and shall determine whether the patient shall be transferred to a less restrictive hospital environment or whether the patient shall be conditionally released or discharged. The patient shall have the right to present evidence at such hearing and to cross-examine any witnesses called by the ~~district or county~~ prosecuting attorney. At the conclusion of the hearing, if the court finds by clear and convincing evidence that the patient will not be likely to cause harm to self or others if transferred to a less restrictive hospital environment, the court shall order the patient transferred. If the court finds by clear and convincing evidence that the patient is not currently a mentally ill person, the court shall order the patient discharged or conditionally released; otherwise, the court shall order the patient to remain in the state security hospital or state hospital where the patient is under commitment. If the court orders the conditional release of the patient in accordance with subsection ~~(4)~~ (d), the court may order as an additional condition to the release that the patient continue to take prescribed medication and report as directed to a person licensed to practice medicine and surgery to determine whether or not the patient is taking the medication or that the patient continue to receive periodic psychiatric or psychological treatment. The ~~county or district~~ prosecuting attorney shall notify any victims of the outcome of the hearing.

~~(4)~~ (d) In order to ensure the safety and welfare of a patient who is to be conditionally released and the citizenry of the state, the court may allow the patient to remain in custody at a facility under the supervision of the secretary for aging and disability services or the head of the appropriate secure facility for a period of time not to exceed 45 days in order to permit sufficient time for the secretary to prepare recommendations to the court for a suitable reentry program for the patient and allow adequate time for the ~~county or district~~ prosecuting attorney to provide victim notification. The reentry program shall be specifically designed to facilitate the return of the patient to the community as a functioning, self-supporting citizen, and may include appropriate supportive provisions for assistance in establishing residency, securing gainful employment, undergoing needed vocational rehabilitation, receiving marital and family counseling, and such other outpatient services that appear beneficial. If a patient who is to be conditionally released will be residing in a county other than the county where the district court that ordered the conditional release is located, the court shall transfer venue of the case to the district court of the other county and send a copy of all of the court's records of the proceedings to the other court. In all cases of conditional release the court shall:

~~(a)~~ (1) Order that the patient be placed under the temporary supervision of district court probation and parole services, community treatment facility or any appropriate private agency; and

~~(b)(2)~~ require as a condition precedent to the release that the patient agree in writing to waive extradition in the event a warrant is issued pursuant to K.S.A. 22-3428b, and amendments thereto.

~~(5)(c)~~ At any time during the conditional release period, a conditionally released patient, through the patient's attorney, or the ~~county or district prosecuting~~ attorney of the county ~~in which where~~ the district court having venue is located may file a motion for modification of the conditions of release, and the court shall hold an evidentiary hearing on the motion within 14 days of its filing. The court shall give notice of the time for the hearing to the patient and the ~~county or district prosecuting~~ attorney. If the court finds from the evidence at the hearing that the conditional provisions of release should be modified or vacated, it shall so order. If at any time during the transitional period the designated medical officer or supervisory personnel or the treatment facility informs the court that the patient is not satisfactorily complying with the provisions of the conditional release, the court, after a hearing for which notice has been given to the ~~county or district prosecuting~~ attorney and the patient, may make orders: ~~(a)(1)~~ For additional conditions of release designed to effect the ends of the reentry program; ~~(b)(2)~~ requiring the ~~county or district prosecuting~~ attorney to file a petition to determine whether the patient is a mentally ill person as provided in K.S.A. 59-2957, and amendments thereto; or ~~(c)(3)~~ requiring that the patient be committed to the appropriate secure facility, state security hospital or any state hospital. In cases where a petition is ordered to be filed, the court shall proceed to hear and determine the petition pursuant to the care and treatment act for mentally ill persons and that act shall apply to all subsequent proceedings. If a patient is committed to any state hospital pursuant to this act the ~~county or district prosecuting~~ attorney shall provide victim notification. The costs of all proceedings, the mental evaluation and the reentry program authorized by this section shall be paid by the county from which the person was committed.

~~(6)(f)~~ In any case in which the defense that the defendant lacked the required mental state pursuant to K.S.A. 22-3220, and amendments thereto, is relied on, the court shall instruct the jury on the substance of this section.

~~(7)(g)~~ As used in this section and K.S.A. 22-3428a, and amendments thereto:

~~(a)(1)~~ "Likely to cause harm to self or others" means that the person is likely, in the reasonably foreseeable future, to cause substantial physical injury or physical abuse to self or others or substantial damage to another's property, or evidenced by behavior causing, attempting or threatening such injury, abuse or neglect.

~~(b)(2)~~ "Mentally ill person" means any person who:

~~(c)(3)~~ "Treatment facility" means any mental health center or clinic, psychiatric unit of a medical care facility, psychologist, physician or other institution or individual authorized or licensed by law to provide either inpatient or outpatient treatment to any patient.

Sec. 11. K.S.A. 2021 Supp. 22-3429 is hereby amended to read as follows: 22-3429. If adequate private facilities are available and if the defendant is willing to assume the expense thereof, commitment may be to a private hospital.~~ A report of the examination and evaluation shall be furnished by the chief medical officer to the judge and shall be made available to the prosecuting attorney and counsel for the defendant. A defendant may not be detained for more than 120 days under a commitment made under this section.

EXPLANATION OF VOTE

Mr. President: I reluctantly vote YES on the CCR for **H Sub for Sub for SB 286**. I have great admiration for the efforts of our health care providers and health care workers during the COVID 19 pandemic and support the enhanced penalties for battery against them included in this legislation. However, the immunity for health care providers in this legislation, while temporary, limited and only applying in cases where treatment is related to COVID19 raises serious concerns.—CINDY HOLSCHER

Mr. President: "I vote "NO" on the CCR for **H Sub Sub SB 286**. I have great admiration for the efforts of our healthcare providers and healthcare workers during the COVID-19 emergency and support the enhanced penalties for battery against them included in this legislation. However, the immunity for healthcare providers in this legislation – while temporary, limited, and only applying in cases where treatment is related to COVID-19, whether the patient is vaccinated or not – raises very serious concerns. Therefore, unfortunately, I cannot support this legislation."—DINAH SYKES

Mr. President: I appreciate the hard work of leadership in trying to make this bill work, but over the course of the COVID pandemic, I have been contacted by people from all across Kansas who were denied access to care, or access to loved ones in healthcare facilities due to COVID restrictions even though these facilities were held harmless. Thanks to the immunity provided to these healthcare facilities, it made it very easy for these entities to fall into line, and accept without question, the tyrannical healthcare mandates imposed upon anyone who needed access to healthcare. The immunity has allowed those unconstitutional practices to continue long after the necessity for these restrictions came to an end. The continuation of immunity, in my opinion, perpetuates the false perception that there is an urgent need to keep restrictions in place...and makes it much easier to reimpose new restrictions. The big problem with conference committee week is that bad policy gets packed in with the good. That makes

voting against the bad stuff much harder. But in my opinion, the bad in this bill outweighs the good and so I vote "no."—MIKE THOMPSON

Senators Peck, Steffen and Straub request the record to show they concur with the "Explanation of Vote" offered by Senator Thompson on **H Sub Sub SB 286**.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 343** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee of the Whole amendments, as follows:

On page 1, following line 8, by inserting:

"New Section 1. (a) The purpose of sections 1 through 3, and amendments thereto, is to protect the best interests of children parented by blind individuals or children who could be parented by blind individuals through the establishment of procedural safeguards that require adherence to the federal Americans with disabilities act of 1990, and respect for the due process and equal protection rights of parents and prospective parents who are blind in the context of child welfare, foster care, family law and adoption.

(b) The legislature hereby finds and declares that:

(1) Blind individuals continue to face unfair, preconceived and unnecessary societal biases as well as antiquated attitudes regarding such individuals' ability to successfully parent their children;

(2) blind individuals face these biases and preconceived attitudes in family and dependency law proceedings where legal custody, residency and parenting time are at stake and in public and private adoption, guardianship and foster care proceedings;

(3) because of these societal biases and antiquated attitudes, children of blind parents are unnecessarily being removed from their parents' care or being restricted from enjoying meaningful time with their parents; and

(4) children are being denied the opportunity to enjoy the experience of living in loving homes with blind parents or other blind caretakers.

New Sec. 2. As used in sections 1 through 3, and amendments thereto:

(a) "Blind" or "blindness" means a central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye that has a limitation in the field of vision so that the widest diameter of the visual field subtends an angle no greater than 20 degrees is considered to have a central visual acuity of 20/200 or less. The term "blind" or "blindness" includes any degenerative condition that reasonably can be expected to result in blindness.

(b) "Family foster home" means a child care facility that is a private residence, including any adjacent grounds, where a person provides care for 24 hours per day for one or more children in foster care and for which a license is required under K.S.A. 65-501 et seq., and amendments thereto.

(c) "Supportive parenting services" means services, including, but not limited to, services, aids and supports that may assist a parent or prospective parent who is blind in the effective use of non-visual techniques and other alternative methods to enable the parent or prospective parent to discharge parental responsibilities as successfully as a parent who is not blind.

New Sec. 3. (a) In any action brought under article 22 or article 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto:

(1) A parent's blindness shall not serve as a basis for denial or restriction of legal custody, residency or parenting time when such legal custody, residency or parenting time is determined to be otherwise in the best interests of the child;

(2) (A) if a parent's blindness is alleged to not be in the best interests of a child, the party asserting such allegation shall have the burden of proving by clear and convincing evidence that the parent's blindness is not in the best interests of the child;

(B) if a party asserting an allegation described in subparagraph (A) has satisfied such party's burden of proof, the blind parent shall have the opportunity to present evidence that, with the implementation of supportive parenting services, placement with such parent is in the best interests of the child; and

(C) the court may issue an order requiring that supportive parenting services be implemented, and the parties may request that the court review the need for continuing such supportive parenting services after a reasonable period of time; and

(3) if a court denies or otherwise restricts a blind parent's request for legal custody, residency or parenting time, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such denial or restriction.

(b) In any action brought under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, a prospective parent's blindness shall not serve as a basis for the denial of such prospective parent's participation in any adoption when such adoption is determined to be otherwise in the best interests of the child.

(c) In any action brought under article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, an individual's blindness shall not serve as a basis for the denial of such individual's appointment as a guardian when such appointment is determined to be otherwise in the best interests of the child.

(d) An individual's blindness shall not serve as a basis for the denial or restriction of such individual's licensure as a family foster home.

(e) (1) In any action brought under article 22 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto, an individual's blindness shall not serve as a basis for an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights.

(2) If a court issues an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights that is adverse to an individual who is a party to the proceeding and who is blind, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such adverse order.";

On page 19, in line 5, by striking "statute book" and inserting "Kansas register";

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking "hearing loss" and inserting "disabilities; preserving families that include a parent who is blind; providing for certain considerations relating to cases involving legal custody, residency, parenting time, children in need of care, adoption, foster care and guardianship";

And your committee on conference recommends the adoption of this report.

county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows:

(i) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year;

(ii) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) $\frac{1}{2}$ shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is

applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31) ~~and~~ (32) ~~and~~ (33), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(5), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established

by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

Sec. 31. K.S.A. 2021 Supp. 74-50,223 is hereby amended to read as follows: 74-50,223. (a) Any county that has been designated a rural opportunity zone pursuant to K.S.A. 74-50,222, and amendments thereto, may participate in the program provided in this section by authorizing such participation by the county commission of such county through a duly enacted written resolution. Such county shall provide a certified copy of such resolution to the secretary of commerce on or before January 1, 2012, for calendar year 2012, or on or before January 1 for each calendar year thereafter, in which a county chooses to participate. Such resolution shall obligate the county to participate in the program provided by this section for a period of five years, and shall be irrevocable. Such resolution shall specify the maximum amount of outstanding student loan balance for each resident individual to be repaid as provided in subsection (b), except the maximum amount of such balance shall be \$15,000.

The amount of such repayment shall be equal to 20% of the outstanding student loan balance of the individual in a year over the five-year repayment period. The state of Kansas is not obligated to pay the student loan balance of any resident individual who qualifies pursuant to subsection (c) prior to the county submitting a resolution to the secretary pursuant to subsection (a). Each such county shall certify to the secretary that such county has made the payment required by this subsection.

(c) A resident individual shall be entitled to have such individual's outstanding student loan balance paid for attendance at an institution of higher education where such resident individual earned an associate, bachelor or post-graduate degree under the provisions of this section when such resident individual establishes domicile in a county designated as a rural opportunity zone which participates in the program as provided in subsection (a), on and after the date in which such county commenced such participation, and prior to July 1, ~~2023~~ 2026. Such resident individual may enroll in this program in a form and manner prescribed by the secretary. Subject to subsection (d), once enrolled such resident individual shall be entitled to full participation in the program for five years, except that if the resident individual relocates outside the rural opportunity zone for which the resident individual first qualified, such resident individual forfeits such individual's eligibility to participate, and obligations under this section of the state and the county terminate. No resident individual shall enroll and be eligible to participate in this program after June 30, ~~2023~~ 2026.

(d) The provisions of this act shall be subject to appropriation acts. Nothing in this act guarantees a resident individual a right to the benefits provided in this section. The county may continue to participate even if the state does not participate.

(e) The secretary shall adopt rules and regulations necessary to administer the provisions of this section.

(f) On January 1, 2012, and annually thereafter until January 1, ~~2024~~ 2027, the

(b) For taxable year 2023, and all taxable years thereafter, the dollar amount of the extent of appraised valuation that is exempt pursuant to subsection (a) shall be adjusted to reflect the average percentage change in statewide residential valuation of all residential real property for the preceding 10 years. Such average percentage change shall not be less than zero. The director of property valuation shall calculate the average percentage change for purposes of this annual adjustment and calculate the dollar amount of the extent of appraised valuation that is exempt pursuant to this section each year.

Except as otherwise authorized by K.S.A. 19-428, and amendments thereto, each county shall comprise a separate appraisal district under such program, and the county appraiser shall have the duty of reappraising all of the real property in the county pursuant to guidelines and timetables prescribed by the director of property valuation and of updating the same on an annual basis. In the case of multi-county appraisal districts, the district appraiser shall have the duty of reappraising all of the real property in each of the counties comprising the district pursuant to such guidelines and timetables and of updating the same on an annual basis. Commencing in 2000, every parcel of real property shall be actually viewed and inspected by the county or district appraiser once every six years.

Compilation of data for the initial preparation or updating of inventories for each parcel of real property and entry thereof into the state computer system as provided for in K.S.A. 79-1477, and amendments thereto, shall be completed not later than January 1, 1989. Whenever the director determines that reappraisal of all real property within a county is complete, notification thereof shall be given to the governor and to the state board of tax appeals.

Valuations shall be established for each parcel of real property at its fair market value in money in accordance with the provisions of K.S.A. 79-503a, and amendments thereto.

In addition thereto, valuations shall be established for each parcel of land devoted to agricultural use upon the basis of the agricultural income or productivity attributable to the inherent capabilities of such land in its current usage under a degree of management reflecting median production levels in the manner hereinafter provided. A classification system for all land devoted to agricultural use shall be adopted by the director of property valuation using criteria established by the United States department of agriculture—~~soi~~ natural resources conservation service. For all taxable years commencing after December 31, 1989, all land devoted to agricultural use ~~which that~~ is subject to the federal conservation reserve program shall be classified as cultivated dry land for the purpose of valuation for property tax purposes pursuant to this section.

except that for all taxable years commencing after December 31, 2022, all land devoted to agricultural use that is subject to the federal grassland conservation reserve program (CRP grasslands) shall be classified as grassland for the purpose of valuation for property tax purposes pursuant to this section. For all taxable years commencing after December 31, 1999, all land devoted to agricultural use ~~which that~~ is subject to the federal wetlands reserve program shall be classified as native grassland for the purpose of valuation for property tax purposes pursuant to this section. Productivity of land devoted to agricultural use shall be determined for all land classes within each county or homogeneous region based on an average of the eight calendar years immediately preceding the calendar year ~~which that~~ immediately precedes the year of valuation, at a degree of management reflecting median production levels. The director of property valuation shall determine median production levels based on information available from state and federal crop and livestock reporting services, ~~the soil natural resources~~ conservation service, and any other sources of data that the director considers appropriate.

The share of net income from land in the various land classes within each county or homogeneous region ~~which that~~ is normally received by the landlord shall be used as the basis for determining agricultural income for all land devoted to agricultural use except pasture or rangeland. The net income normally received by the landlord from such land shall be determined by deducting expenses normally incurred by the landlord from the share of the gross income normally received by the landlord. The net rental income normally received by the landlord from pasture or rangeland within each county or homogeneous region shall be used as the basis for determining agricultural income from such land. The net rental income from pasture and rangeland ~~which that~~ is normally received by the landlord shall be determined by deducting expenses normally incurred from the gross income normally received by the landlord. Commodity prices, crop yields and pasture and rangeland rental rates and expenses shall be based on an average of the eight calendar years immediately preceding the calendar year ~~which that~~ immediately precedes the year of valuation. Net income for every land class within each county or homogeneous region shall be capitalized at a rate determined to be the sum of the contract rate of interest on new federal land bank loans in Kansas on July 1 of each year averaged over a five-year period ~~which that~~ includes the five years immediately preceding the calendar year which immediately precedes the year of valuation, plus a percentage not less than 0.75% nor more than 2.75%, as determined by the director of property valuation, except that the capitalization rate calculated for property tax year 2003, and all such years thereafter, shall not be less than 11% nor more than 12%.

Based on the foregoing procedures, the director of property valuation shall make an annual determination of the value of land within each of the various classes of land devoted to agricultural use within each county or homogeneous region and furnish the same to the several county appraisers who shall classify such land according to its current usage and apply the value applicable to such class of land according to the valuation schedules prepared and adopted by the director of property valuation under the provisions of this section.

It is the intent of the legislature that appraisal judgment and appraisal standards be followed and incorporated throughout the process of data collection and analysis and establishment of values pursuant to this section.

For the purpose of the foregoing provisions of this section, the phrase "land devoted

to agricultural use" shall mean and include land, regardless of whether it is located in the unincorporated area of the county or within the corporate limits of a city, ~~which that~~ is devoted to the production of plants, animals or horticultural products, including, but not limited to: Forages; grains and feed crops; dairy animals and dairy products; poultry and poultry products; beef cattle, sheep, swine and horses; bees and apiary products; trees and forest products; fruits, nuts and berries; vegetables; and nursery, floral, ornamental and greenhouse products. "Land devoted to agricultural use" shall include land established as a controlled shooting area pursuant to K.S.A. 32-943, and amendments thereto, which shall be deemed to be land devoted to agricultural use. "Land devoted to agricultural use" shall include land that is utilized by zoos that hold a valid class C exhibitor license issued by the United States department of agriculture. "Land devoted to agricultural use" shall include land otherwise devoted to the production of plants, animals or horticultural products that is incidentally used for agritourism activity. For purposes of this section, "agritourism activity" means any activity that allows members of the general public, for recreational, entertainment or educational purposes, to view or enjoy rural activities, including, but not limited to, farming activities, ranching activities or historic, cultural or natural attractions. An activity may be an "agritourism activity" whether or not the participant pays to participate in the activity. An activity is not an "agritourism activity" if the participant is paid to participate in the activity. If a parcel has land devoted to agricultural purposes and land used for suburban residential acreages, rural home sites or farm home sites, the county appraiser shall determine the amount of the parcel used for agricultural purposes and value and assess it accordingly as land devoted to agricultural purposes. The county appraiser shall then determine the amount of the remaining land used for such other purposes and value and assess that land according to its use.

The term "expenses" shall mean those expenses typically incurred in producing the plants, animals and horticultural products described above, including management fees, production costs, maintenance and depreciation of fences, irrigation wells, irrigation laterals and real estate taxes, but the term shall not include those expenses incurred in providing temporary or permanent buildings used in the production of such plants, animals and horticultural products.

The provisions of this act shall not be construed to conflict with any other provisions of law relating to the appraisal of tangible property for taxation purposes including the equalization processes of the county and state board of tax appeals.

publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice: (A) On the website of the governing body, if the governing body maintains a website; and

(e)(1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

EXPLANATION OF VOTE

Mr. Vice President: I voted "AYE" on **House Substitute for Substitute for Senate Bill 267**. This budget bill will do much for Kansans: investments in education, our highway fund, the state water plan and state employee salaries. It increases the funding for many of our social services; we could have done even more if we had expanded Medicaid. This budget also includes funding to reduce the state sales tax on groceries. I am pleased to have voted for the budget, but incredibly disappointed that the Senate adjourned without passing the conference committee report on **House Bill 2106**. Reducing that tax could help so many Kansans, especially those with children and with low incomes. What are we thinking?—MARCI FRANCISCO

(c) (1) It shall be a violation of this section to alter any information provided in an affidavit or provide false information in an affidavit with the intent to hinder, prevent or defeat a fair election.

(2) A violation of this section is a severity level 9, nonperson felony.

New Sec. 2. (a) In the calendar year following the general election of an even-numbered year, the secretary of state shall conduct in four counties an audit of the procedures used for election administration and election records for the elections held during the previous two calendar years.

(B) The voting system shall provide the voter with an opportunity to correct any error on the paper ballot before the paper ballot is secured and preserved.

(3) The paper ballot shall constitute the official ballot and shall be preserved and used as the official ballot suitable for purposes of any audit or recount conducted with respect to any election in which the voting system is used. Any such voted ballot shall be transmitted to the county election officer before the close of the polls on election day.

(e) The county election officer shall allow a person to assist a voter who has an illness or physical disability or who is not proficient in reading the English language in applying for or marking an application or advance voting ballot, or to sign for a voter who has a disability preventing the voter from signing an application or advance voting ballot form, provided a written statement is signed by the person who renders assistance to the voter who has an illness or physical disability or who is not proficient in reading the English language and such statement is submitted to the county election officer with the application or ballot. The statement shall be on a form prescribed by the secretary of state and shall contain a statement from the person providing assistance that the person has not exercised undue influence on the voting decision of the voter who has an illness or physical disability or who is not proficient in reading the English language and that the person providing assistance has completed the application, marked the ballot, or signed the application or ballot form as instructed by the voter.

from signing the ballot or preventing the voter from having a signature consistent with such voter's registration form. Signature verification may occur by electronic device or by human inspection. In the event that the signature of a person on the advance voting ballot envelope does not match the signature on file in the county voter registration records, the ballot shall not be counted.

EXPLANATION OF VOTE

Mr. President: Like last week on **SB 484** and last year, I voted to "PASS" for the ban on transgender women in women's sports. Only now, mean-spiritedly compelled by a Call of the Senate, must I again split my 50/50 deliberation to vote one way or another on this divisive measure. Accordingly, by a hair's breadth, I vote "NO" on **SB 160**. Our Great State of Kansas can ill afford the stigma which is conferred on jurisdictions that are deemed discriminatory, insensitive and politically incorrect. Further, I predict that the future will judge those who have instituted such bans (when the federal government nullifies them) as Neanderthalistic and absolutely regressive in thought. Though I always have believed and fought for equality and inclusion for all people, at my heart I am an avowed feminist. Despite ingrained courtesies accorded women (like holding the

door, etc.), women deserve equality and should not be subjected to some “superiority” or deference whether acknowledged in society through gender-prescribed and dominated customs or an inherent physical superiority on some field of play. Similarly, my record of advocating for identified transgender and LGBTQ issues (be it: marriage equality, bathrooms, hate crime sentencing, etc. . . . you name it) is without equal in this Senate. I do not vote for any discriminatory measure; especially those seemingly generated by mean-spiritedness and/or sheer ignorance due to non-exposure of divergent populations. But, unlike even a swimming or weight-lifting contest or even track and field, the first time I see a woman’s boxing match and a transgendered woman punches a biological woman in the face it will go against everything I hold in my core belief down to my soul. There are undisputed physical differences in anatomical strengths between our respective biologies. Until we, as a society, are able to clearly delineate scientifically if such birth biological advantage has been significantly neutralized, as an admirer of women, I can not vote for a measure that may relegate many women to yet another suppression by a man, albeit a transitioned one now a woman, in a sports-related contest. Oddly though, I am now compelled to do so in preservation of our State’s opportunities and image as well as my belief that history will record it as the correct thing to do.—DAVID HALEY

Mr. President: “Amid all of the drama at this year’s Academy Awards, the public missed an important and impactful message by Jessica Chastain, who won Best Actress that night for her portrayal of Tammy Faye Bakker. In her speech, she amplified Tammy’s “radical acts of love” and her compassion, which she sees as “a guiding principle that leads us forward, and connects us all in the desire that we want to be accepted for who we are.” In my public service, I have always tried to lead with compassion, which is why I cannot vote for this cruel bill that will have no impact on advancing women’s rights but will absolutely tell the most vulnerable among us that they do not belong in our state. All Kansas kids deserve to inherit a state that has been advanced with an intention of radical love, and we are failing them by approving legislation that seeks to divide us and promote judgment and hate.”—DINAH SYKES

Senators Pettey and Ware request the record to show they concur with the “Explanation of Vote” offered by Senator Sykes on **SB 160**.
