HB 2550  
Opponent Testimony  
Written Only

Chair Williams and Members of the Committee:

I oppose this bill for many reasons, mainly because it diverts taxpayer funds from our public schools to private schools. Private schools do not have the same accountability standards as public schools. Additionally, this is unfair to Kansas taxpayers and would create a two-tier education system that may benefit some students while hurting the majority of students.

Many of my students thrive due to the learning and caring environment that they receive from public schools. Please consider the implications this would have for our children.

Sincerely,  
Tiffany Seaman
