Re: HB2550
OPPONENT testimony
Written Only

Chair Williams and members of the committee:

I oppose this bill for many reasons, mainly because it diverts taxpayer funds from our public schools to private schools. Private schools do not have the same accountability standards as public schools. Also, this is unfair to Kansas taxpayers and would create a two-tier education system that may benefit some students while hurting the majority of students.

Parents have the right where to send their children to school, but if they choose the private school path, they need to pay the tuition, not the state. I went all through private school and my grandchildren are going through private school now. That is a choice but should NOT be funded by the state.

Sincerely,

Joanne Commins (private citizen)
