(b) The court shall not consider the fact that a parent or a child
consumes medical marijuana in accordance with section 10, and
amendments thereto, when determining the legal custody, residency or
parenting time of a child.

Sec.<u>-67.</u> **73.** K.S.A. 2020 Supp. 38-2269 is hereby amended to read as follows: 38-2269. (a) When the child has been adjudicated to be a child in need of care, the court may terminate parental rights or appoint a permanent custodian when the court finds by clear and convincing evidence that the parent is unfit by reason of conduct or condition which renders the parent unable to care properly for a child and the conduct or condition is unlikely to change in the foreseeable future.

(b) In making a determination of unfitness the court shall consider,but is not limited to, the following, if applicable:

(1) Emotional illness, mental illness, mental deficiency or physical
disability of the parent, of such duration or nature as to render the parent
unable to care for the ongoing physical, mental and emotional needs of the
child;

(2) conduct toward a child of a physically, emotionally or sexuallycruel or abusive nature;

43 (3) the use of intoxicating liquors or narcotic or dangerous drugs of

such duration or nature as to render the parent unable to care for the
 ongoing physical, mental or emotional needs of the child, *except that the* use of medical marijuana in accordance with section 10, and amendments
 thereto, shall not be considered to render the parent unable to care for the
 ongoing physical, mental or emotional needs of the child;

6 (4) physical, mental or emotional abuse or neglect or sexual abuse of 7 a child;

8

(5) conviction of a felony and imprisonment;

9 (6) unexplained injury or death of another child or stepchild of the 10 parent or any child in the care of the parent at the time of injury or death;

(7) failure of reasonable efforts made by appropriate public or privateagencies to rehabilitate the family;

15 (9) whether, as a result of the actions or inactions attributable to the 16 parent and one or more of the factors listed in subsection (c) apply, the 17 child has been in the custody of the secretary and placed with neither 18 parent for 15 of the most recent 22 months beginning 60 days after the 19 date on which a child in the secretary's custody was removed from the 20 child's home.

(c) In addition to the foregoing, when a child is not in the physical
 custody of a parent, the court, shall consider, but is not limited to, the

26 (2) failure to maintain regular visitation, contact or communication27 with the child or with the custodian of the child;

(3) failure to carry out a reasonable plan approved by the courtdirected toward the integration of the child into a parental home; and

30 (4) failure to pay a reasonable portion of the cost of substitute31 physical care and maintenance based on ability to pay.

In making the above determination, the court may disregard incidental visitations, contacts, communications or contributions.

(d) A finding of unfitness may be made as provided in this section if the court finds that the parents have abandoned the child, the custody of the child was surrendered pursuant to K.S.A. 2020 Supp. 38-2282, and amendments thereto, or the child was left under such circumstances that the identity of the parents is unknown and cannot be ascertained, despite diligent searching, and the parents have not come forward to claim the child within three months after the child is found.

41 (e) If a person is convicted of a felony in which sexual intercourse
42 occurred, or if a juvenile is adjudicated a juvenile offender because of an
43 act which, if committed by an adult, would be a felony in which sexual

intercourse occurred, and as a result of the sexual intercourse, a child is
 conceived, a finding of unfitness may be made.

3 (f) The existence of any one of the above factors standing alone may, 4 but does not necessarily, establish grounds for termination of parental 5 rights.

6 (g) (1) If the court makes a finding of unfitness, the court shall 7 consider whether termination of parental rights as requested in the petition 8 or motion is in the best interests of the child. In making the determination, the court shall give primary consideration to the physical, mental and 9 emotional health of the child. If the physical, mental or emotional needs of 10 the child would best be served by termination of parental rights, the court 11 12 shall so order. A termination of parental rights under the code shall not terminate the right of a child to inherit from or through a parent. Upon 13 14 such termination all rights of the parent to such child, including, such parent's right to inherit from or through such child, shall cease. 15

16 (2) If the court terminates parental rights, the court may authorize 17 adoption pursuant to K.S.A. 2020 Supp. 38-2270, and amendments 18 thereto, appointment of a permanent custodian pursuant to K.S.A. 2020 19 Supp. 38-2272, and amendments thereto, or continued permanency 20 planning.

authorize appointment of a permanent custodian pursuant to K.S.A. 2020
Supp. 38-2272, and amendments thereto, or continued permanency
planning.

(h) If a parent is convicted of an offense as provided in K.S.A. 2020 Supp. 38-2271(a)(7), and amendments thereto, or is adjudicated a juvenile offender because of an act which if committed by an adult would be an offense as provided in K.S.A. 2020 Supp. 38-2271(a)(7), and amendments thereto, and if the victim was the other parent of a child, the court may disregard such convicted or adjudicated parent's opinions or wishes in regard to the placement of such child.

32

(i) A record shall be made of the proceedings.

(j) When adoption, proceedings to appoint a permanent custodian or
 continued permanency planning has been authorized, the person or agency
 awarded custody of the child shall within 30 days submit a written plan for
 permanent placement which shall include measurable objectives and time
 schedules.

7 Sec.<u>-69.</u> **75.** K.S.A. 2020 Supp. 44-706 is hereby amended to read as 8 follows: 44-706. The secretary shall examine whether an individual has 9 separated from employment for each week claimed. The secretary shall 10 apply the provisions of this section to the individual's most recent 11 employment prior to the week claimed. An individual shall be disqualified 12 for benefits:

13 (a) If the individual left work voluntarily without good cause attributable to the work or the employer, subject to the other provisions of 14 this subsection. For purposes of this subsection, "good cause" is cause of 15 such gravity that would impel a reasonable, not supersensitive, individual 16 17 exercising ordinary common sense to leave employment. Good cause 18 requires a showing of good faith of the individual leaving work, including 19 the presence of a genuine desire to work. Failure to return to work after 20 expiration of approved personal or medical leave, or both, shall be 21 considered a voluntary resignation. After a temporary job assignment, 22 failure of an individual to affirmatively request an additional assignment 23 on the next succeeding workday, if required by the employment 24 agreement, after completion of a given work assignment, shall constitute 25 leaving work voluntarily. The disgualification shall begin the day 26 following the separation and shall continue until after the individual has 27 become reemployed and has had earnings from insured work of at least 28 three times the individual's weekly benefit amount. An individual shall not 29 be disgualified under this subsection if:

30 (1) The individual was forced to leave work because of illness or 31 injury upon the advice of a licensed and practicing health care provider 32 and, upon learning of the necessity for absence, immediately notified the 33 employer thereof, or the employer consented to the absence, and after 34 recovery from the illness or injury, when recovery was certified by a 35 practicing health care provider, the individual returned to the employer and 36 offered to perform services and the individual's regular work or 37 comparable and suitable work was not available. As used in this paragraph 38 "health care provider" means any person licensed by the proper licensing 39 authority of any state to engage in the practice of medicine and surgery, 40 osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

41 (2) the individual left temporary work to return to the regular 42 employer;

43

(3) the individual left work to enlist in the armed forces of the United

1 States, but was rejected or delayed from entry;

2 (4) the spouse of an individual who is a member of the armed forces 3 of the United States who left work because of the voluntary or involuntary 4 transfer of the individual's spouse from one job to another job, which is for 5 the same employer or for a different employer, at a geographic location 6 which makes it unreasonable for the individual to continue work at the 7 individual's job. For the purposes of this provision the term "armed forces" 8 means active duty in the army, navy, marine corps, air force, coast guard or 9 any branch of the military reserves of the United States;

(5) the individual left work because of hazardous working conditions; 10 in determining whether or not working conditions are hazardous for an 11 individual, the degree of risk involved to the individual's health, safety and 12 13 morals, the individual's physical fitness and prior training and the working 14 conditions of workers engaged in the same or similar work for the same 15 and other employers in the locality shall be considered; as used in this 16 paragraph, "hazardous working conditions" means working conditions that 17 could result in a danger to the physical or mental well-being of the 18 individual; each determination as to whether hazardous working 19 conditions exist shall include, but shall not be limited to, a consideration 20 of: (A) The safety measures used or the lack thereof; and (B) the condition 21 of equipment or lack of proper equipment; no work shall be considered 22 hazardous if the working conditions surrounding the individual's work are 23 the same or substantially the same as the working conditions generally 24 prevailing among individuals performing the same or similar work for 25 other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section
236(a)(1) of the federal trade act of 1974, provided the work left is not of a
substantially equal or higher skill level than the individual's past adversely
affected employment, as defined for purposes of the federal trade act of
1974, and wages for such work are not less than 80% of the individual's
average weekly wage as determined for the purposes of the federal trade
act of 1974;

(7) the individual left work because of unwelcome harassment of the
individual by the employer or another employee of which the employing
unit had knowledge and that would impel the average worker to give up
such worker's employment;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to, consideration of: (A) The rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted; (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted; and (C) the distance from the individual's place of residence to the work accepted in 1 comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested
by the employer, a supervisor or a fellow employee to perform a service or
commit an act in the scope of official job duties which is in violation of an
ordinance or statute;

6 (10) the individual left work because of a substantial violation of the 7 work agreement by the employing unit and, before the individual left, the 8 individual had exhausted all remedies provided in such agreement for the 9 settlement of disputes before terminating. For the purposes of this 10 paragraph, a demotion based on performance does not constitute a 11 violation of the work agreement;

12 (11) after making reasonable efforts to preserve the work, the 13 individual left work due to a personal emergency of such nature and 14 compelling urgency that it would be contrary to good conscience to 15 impose a disqualification; or

16 (12) (A) the individual left work due to circumstances resulting from17 domestic violence, including:

(i) The individual's reasonable fear of future domestic violence at oren route to or from the individual's place of employment;

20 (ii) the individual's need to relocate to another geographic area in 21 order to avoid future domestic violence;

(iii) the individual's need to address the physical, psychological and
 legal impacts of domestic violence;

(iv) the individual's need to leave employment as a condition of
 receiving services or shelter from an agency which provides support
 services or shelter to victims of domestic violence; or

(v) the individual's reasonable belief that termination of employment
is necessary to avoid other situations which may cause domestic violence
and to provide for the future safety of the individual or the individual's
family.

(B) An individual may prove the existence of domestic violence byproviding one of the following:

(i) A restraining order or other documentation of equitable relief by a
 court of competent jurisdiction;

35

(ii) a police record documenting the abuse;

(iii) documentation that the abuser has been convicted of one or more
of the offenses enumerated in articles 34 and 35 of chapter 21 of the
Kansas Statutes Annotated, prior to their repeal, or articles 54 or 55 of
chapter 21 of the Kansas Statutes Annotated, *and amendments thereto*, or
K.S.A. 2020 Supp. 21-6104, 21-6325, 21-6326 or 21-6418 through 216422, and amendments thereto, where the victim was a family or
household member;
