34-2,109. Warehouseman's annual statement of depositor's grain. (a) Every public warehouseman shall submit, annually, to each depositor of open storage or grain bank grain, a statement of grain stored in the public warehouse. The statement shall include, but not be limited to, the following information:

- (1) Type of grain deposited;
- (2) the total bushels or pounds stored;
- (3) the year storage of grain began; and
- (4) the storage rate.

(b) The provisions of this section are supplemental to the provisions of chapter 34 of Kansas Statutes Annotated.
