Opponent – SB248

Please accept this email urging you to OPPOSE SB248 regarding eliminating sales tax on grocery stores. Each year municipalities struggle at budget time to be able to provide the services that our cities need to survive.

If a sales tax component is removed the next bump would be toward property tax and I don't have to comment on the bad vibes that topic causes on all sides of government.

PLEASE OPPOSE SB248!

Respectfully Submitted
