

2012 Kansas Statutes

19-2722. Same; lighting to be in platted areas. The board of county commissioners may not under this act provide for the lighting of any street or highway or portion of a street or highway unless the street or highway or portion of street or highway to be lighted or the major portion thereof shall run through or abut upon lands that shall be platted or laid out in lots or blocks.

History: L. 1931, ch. 158, § 2; May 28.
