

2012 Kansas Statutes

25-3109. Abstracts of county board of canvassers. (a) In every final canvass of election returns the county board of canvassers shall make final determination of the results of the election and enter the same in the final abstract of the election returns. Such abstracts shall be certified by the county board of canvassers and shall be deposited in the office of the county election officer as a permanent record.

(b) In the case of a primary election for which the county board of canvassers makes the final canvass, the abstract shall specify the persons nominated for each office as a result of such primary.

(c) In the case of a general election for which the county board of canvassers makes the final canvass, the abstract shall specify the persons elected to each office as a result of such general election.

(d) In the case of question submitted election for which the county board of canvassers makes the final canvass, the abstract shall specify the result on each question submitted.
