Others attending:

See attached list.

Chairman Powell opened the meeting requesting Committee members for bill introductions.

Representative Hayzlett introduced a bill concerning licensing of out of state hunters. Representative Fund seconded the motion. The motion carried.

Upon completion of bill introductions, Chairman Powell asked Committee members and staff to give a brief introduction of themselves. Also, attending visitors introduced themselves to the Committee.

Representative Navinsky commented that he was approached by a constituent inquiring about a bill for military personnel to be able to acquire a different hunting license without going through the safety training course because they would already be qualified. Representative Navinsky further stated possibly they could attend a shorter version of the safety training course, which would be at no cost to the State of Kansas, for those military personnel wanting to get a hunting license while stationed in Kansas.

The next meeting is scheduled for January 13, 2009.

The meeting was adjourned at 3:52 p.m.
