Prayer by guest chaplain, the Rev. Dan DeWitt, pastor, First Baptist Church, Caney, and guest of Rep. Peck:

Heavenly Father,

I come before you today on behalf of those who have been elected to carry on the business of governing the state of Kansas. They have difficult decisions to make as they consider the many issues and concerns they must address today.

You have said in the Bible that if we need wisdom, that we should come to you in prayer and ask. That is what I'm doing today. I ask that you give these servants wisdom. Lord, even if some of the servants who have gathered here do not profess faith in you, I ask that you would use them to help accomplish your will today.

I ask this in the name of your Son and my Lord and Savior, Jesus Christ. Amen!

The Pledge of Allegiance was led by Rep. Edmonds.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HB 2118**. **HB 2118** proposes to eliminate the environs review entirely. Environs Review has been the law for some 25 years. Review occurs by the State Historic Preservation Office or by a certified local government which issues a recommendation regarding the impact to properties listed on the state and national historic registers of work within their environs.

Environs reviews can:

- Protect historic properties by ensuring that changes to the immediate environment around the property are compatible with the context.
- Protect the existing investment a property owner and a community have already made in designated historic properties, through private and public dollars. — JOHN ALCALÁ
