FIFTY-EIGHTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Friday, May 2, 2014, 10:00 a.m.

The Senate was called to order by President Susan Wagle.  
The roll was called with forty senators present.  
Invocation by Father Don Davidson:

Dear Lord, as summer approaches our minds turn naturally to the wonderful prospect of vacation. Sometimes called “holiday” or “holy day” vacations give us a chance to renew relationships with family, see new things, and simply relax. Time can bring new perspectives and appreciation of viewpoints unknown, even a long drive can help us to sort out those concerns which seem so perplexing when confronted with inhibiting interruptions. Dear Lord, be with us all as we take needed and holy days for rest and regeneration and keep us safe. In the name of the one who took the Sabbath for rest we pray. Amen

The Pledge of Allegiance was led by President Susan Wagle.

A RESOLUTION congratulating Dr. Patricia N. Long  
on her retirement from Baker University.

WHEREAS, Dr. Patricia N. Long has served as the President of Baker University since July 1, 2006, and is now retiring. She was the first woman to serve as President of Baker University and she has also been the acting executive vice chancellor at the University of Missouri-Kansas City (UMKC); and

WHEREAS, Dr. Long was an administrator for 23 years at UMKC and Johnson County Community College and she taught in the Kansas City, Missouri, school district

for seven years. Dr. Long began her career in higher education in 1983 at Johnson County Community College, where she was promoted to assistant dean of student enrollment services and eventually to dean of student services from 1995 to 2000; and

WHEREAS, Dr. Long grew up in Wheatland, Missouri, and was the first member of her family to graduate from college; and

WHEREAS, Dr. Long holds a bachelor of arts degree in mathematics from Southwest Baptist University, a master's degree in adult education from Central Missouri State University and a Ph.D. in educational policy and leadership from the University of Kansas; and

WHEREAS, Baker University first opened its doors to students in November 1858 in Baldwin City, Kansas, after Kansas Territorial Governor James W. Denver signed the charter establishing the university. Baker was the first university in the state of Kansas, and is named after Osmon Cleander Baker, a distinguished scholar and bishop of what is now known as the United Methodist Church; and

WHEREAS, Baker University is ranked number 33 among regional universities in the Midwest in the most recent U.S. News and World Report rankings; and

WHEREAS, During Dr. Long's tenure at Baker University, she worked with the university advancement staff to raise more than \$11 million for the Ivan L. She also secured more than \$1.75 million for the current renovation and addition to the Student Union; and

WHEREAS, As President, Dr. Long oversaw the development of the QUEST program at the College of Arts and Sciences, Baker's new, innovative approach to general studies. She also launched Baker's Leadership Distinctive and Baker's Institute for Leadership and Positive Change by securing funding, developing curriculum and cultivating business relationships with partners; and

Senators Haley, Faust-Goudeau, Francisco, Hawk, Hensley, Holland, Kelly, Kerschen, Love, McGinn, Olson, Ostmeyer, Pettey and Shultz introduced the following Senate resolution, which was read:

## SENATE RESOLUTION No. 1835—

A RESOLUTION commemorating the 60<sup>th</sup> anniversary of the landmark U.S. Supreme Court case *Brown v. Board of Education of Topeka, Kansas*.

WHEREAS, From the earliest times in American history, the U.S. educational system mandated separate schools for children based solely on race. In many instances, the schools for African American children were substandard facilities with out-of-date textbooks and insufficient supplies; and

WHEREAS, In 1896, in the case of *Plessy v. Ferguson*, the U.S. Supreme Court declared it law that "separate" but "equal" facilities be provided for African Americans. This holding necessitated separate dining facilities, restrooms, transportation, accommodations, and, among other things, public education; and

WHEREAS, In the 1940s and 1950s the National Association for the Advancement of Colored People (NAACP) spearheaded plans to end the doctrine of "separate but equal" using public schools as a means to that end. Local leaders of the NAACP recruited African American parents in Topeka for a class action suit against the local school board; and

WHEREAS, In 1952, *Brown v. Board of Education of Topeka, Kansas* was brought before the U.S. Supreme Court as a combination of five cases from Delaware, Kansas, South Carolina, Virginia and the District of Columbia, representing nearly 200 plaintiffs. The Court combined the cases because each sought the same relief from segregated schools for African Americans; and

WHEREAS, In a unanimous decision, the U.S. Supreme Court struck down the decision in *Plessy*, finding that racial segregation was a violation of the Equal Protection Clause of the Fourteenth Amendment of the United States Constitution. The Court declared that, "in the field of public education, the doctrine of 'separate but equal' has no place. Separate educational facilities are inherently unequal,"; and

WHEREAS, The landmark ruling in *Brown* was a major victory for the civil rights movement and laid the foundation for shaping national and international policies on human rights; and

WHEREAS, In 2004, at the opening of the *Brown v. Board of Education National Historic Site* in Topeka, Kansas, on the 50<sup>th</sup> anniversary of the ruling, President George W. Bush recognized its historic significance stating that, "The decision in *Brown versus Board of Education* did not end all segregation, did not even end school segregation for many years. The civil rights movement was still waiting on other heroes and cases and laws. Yet, all sides of the question knew that on May 17<sup>th</sup>, 1954, a line had been crossed in American history. The system of racial oppression in our country had lost its claim to legitimacy, and the rising demand for justice would not be denied.": Now, therefore,

*Be it resolved by the Senate of the State of Kansas:* That we commemorate the 60<sup>th</sup> anniversary of the U.S. Supreme Court's ruling in *Brown v. Board of Education of Topeka, Kansas* and celebrate its role as a catalyst in launching the modern civil rights movement; and

*Be it further resolved:* That the Secretary of the Senate shall send five enrolled copies of this resolution to Senator Haley.

On emergency motion of Senator Haley **SR 1835** was adopted unanimously.

Senators Hensley, Kelly and V. Schmidt introduced the following Senate resolution, which was read:

*Be it further resolved:* That the Secretary of the Senate shall provide five enrolled copies of this resolution to Senator Hensley.

On emergency motion of Senator Hensley **SR 1836** was adopted unanimously.

#### EXPLANATION OF VOTE

Madam President: While I was not a participant in the development of this budget, I respect and appreciate the efforts of those that worked so tirelessly on this process. I came to this Senate as a fiscal conservative. I cannot support a budget that includes a guesstimated 200 million dollar loss in revenues this year and unknown losses for next year. But I am not only concerned with the large numbers, I also cannot defend or vote in favor of expenditures in this budget as small as a 79 dollar reimbursement to a member of this governing body. I vote "No" on **S Sub Sub HB 2231**. —MOLLY BAUMGARDNER

Senator Haley requests the record to show that he concurs with the "Explanation of Vote" offered by Senator Baumgardner on **S Sub Sub HB 2231**.

Madam President: I appreciate the hard work of these folks who crafted this budget. And, I recognize that a good part of this budget is for corrections, something I fought for last year when we voted for that budget. However, I disagree with the assertions that we lack revenue, as some others have said. We are simply spending too much of the peoples' money, money they need and should be able to keep. I vote "No" on **S Sub Sub HB 2231**.—STEVE FITZGERALD

Madam President: I vote no on **S Sub Sub HB 2231** because we are denying the stark reality of the situation we face in the out years. By fiscal year 2019, our state general fund will be in the red by \$1.2 billion, which is the direct result of the irresponsible Brownback income tax cuts. All of this goes without saying that in the near future we also will be facing a court decision in the *Gannon v. Kansas* case on the "adequacy" of funding our school finance formula. We need to anticipate the further dire impact that could have on our general fund in the out years. Without regard to an honest and realistic understanding of our state's general fund profile, I believe Governor Brownback's administration is on a reckless course of fiscal mismanagement. We will be confronted with difficult decisions in the next two sessions – because we'll still be here. The bottom line is we've gone too far on Governor Brownback's self-admitted "glide path to zero." That is why I vote "No".—ANTHONY HENSLEY

Senators Francisco, Holland, Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **S Sub Sub HB 2231**.

Madam President: A vote for CCR on **S Sub Sub HB 2231** is a vote of consent in support of further funding and implementation of common core standards, as the senate had adopted the following language that is not contained in this report nor the earlier education budget report:

“Senate Journal APRIL 3, 2014: S Sub HB 2506 be amended by motion of Senator Knox on page 31, following line 4, by inserting: "New Sec. 44. (a) No state agency named in chapter 136 of the 2013 Session Laws of Kansas, this act or any other appropriation act of the 2014 regular session of the legislature or any school district shall expend moneys appropriated from the state general fund or from any special revenue fund or funds for fiscal years ending June 30, 2015, June 30, 2016, or June 30, 2017, to implement the common core standards or any portion of such standards, including any assessments affiliated with common core standards unless the legislature expressly consents to the use of the common core standards.

“(b) As used in this section, "common core standards" means the set of uniform educational curriculum standards for grades kindergarten through 12 established by the common core state standards initiative.”;

“And by renumbering sections accordingly.

“Upon the showing of five hands a roll call vote was requested. On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 1; Absent or Not Voting 0.”—DENNIS PYLE

(2) the purpose of this section is to assist the families of fallen Kansas military service members during their time of need in the event of a future federal government shutdown.

From and after January 1, 2015, the adjutant general may periodically certify to the pooled money investment board amounts to be transferred pursuant to this subsection. Upon certification to the pooled money investment board by the adjutant general of the amounts authorized by subsection (b), the pooled money investment board shall transfer amounts certified by the adjutant general from the state bank accounts described in subsection (b) to the adjutant general death gratuity payment facilitation fund.

(g) All expenditures pursuant to this section, from the adjutant general death gratuity payment facilitation fund shall be made in accordance with appropriation acts

upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the adjutant general, or the adjutant general's designee.

Any statement orally made shall be reduced to writing as soon thereafter as possible. If the magistrate is satisfied that grounds for the application exist or that there is probable cause to believe that they exist, the magistrate may issue a search warrant for:

(1) The search or seizure of the following:

(A) Any thing which has been used in the commission of a crime, or any

contraband or any property which constitutes or may be considered a part of the evidence, fruits or instrumentalities of a crime under the laws of this state, any other state or of the United States. (B) any person who has been kidnapped in violation of the laws of this state or who has been kidnapped in another jurisdiction and is now concealed within this state;

(ii) the jurisdiction granted in this paragraph shall extend to information held by entities registered to do business in the state of Kansas, submitting to the jurisdiction thereof, and entities primarily located outside the state of Kansas if the jurisdiction in which the entity is primarily located recognizes the authority of the magistrate to issue the search warrant; or

(2) the installation, maintenance and use of a tracking device.

(b) (1) The search warrant under subsection (a)(2) shall authorize the installation and use of the tracking device to track and collect tracking data relating to a person or property for a specified period of time, not to exceed 30 days from the date of the installation of the device.

(2) The search warrant under subsection (a)(2) may authorize the retrieval of the tracking data recorded by the tracking device during the specified period of time for authorized use of such tracking device within a reasonable time after the expiration of such warrant, for good cause shown.

(3) The magistrate may, for good cause shown, grant one or more extensions of a search warrant under subsection (a)(2) for the use of a tracking device, not to exceed 30 days each.

(c) Before ruling on a request for a search warrant, the magistrate may require the affiant to appear personally and may examine under oath the affiant and any witnesses that the affiant may produce. Such proceeding shall be taken down by a certified shorthand reporter or recording equipment and made part of the application for a search warrant.

(d) For a warrant executed prior to July 1, 2014, affidavits or sworn testimony in support of the probable cause requirement of this section or search warrants for tracking devices shall not be made available for examination without a written order of the court, except that such affidavits or testimony when requested shall be made available to the defendant or the defendant's counsel for such disposition as either may desire.

(2) Any person may request that affidavits or sworn testimony be disclosed by filing such request with the clerk of the court. The clerk of the court shall promptly notify the defendant or the defendant's counsel, the prosecutor and the magistrate that such request was filed.

(3) Within five business days after receiving notice of a request for disclosure from the clerk of the court, the defendant or the defendant's counsel and the prosecutor may submit to the magistrate, under seal, either:

(A) Order disclosure of the affidavits or sworn testimony with appropriate redactions, if any; or

(B) order the affidavits or sworn testimony sealed and not subject to public disclosure.

~~(e)~~(f) As used in this section:

(1) "Electronic communication" means the use of electronic equipment to send or transfer a copy of an original document;

(3) "tracking data" means information gathered or recorded by a tracking device; and

(4) "tracking device" means an electronic or mechanical device that permits a person to remotely determine or track the position or movement of a person or object. "Tracking device" includes, but is not limited to, a device that stores geographic data for subsequent access or analysis and a device that allows for the real-time monitoring of movement.

~~(f)~~(g) Nothing in this section shall be construed as requiring a search warrant for cellular location information in an emergency situation pursuant to K.S.A. 22-4615, and amendments thereto.

Sec. 5. K.S.A. 2013 Supp. 22-3402 is hereby amended to read as follows: 22-3402.

(a) If any person charged with a crime and held in jail solely by reason thereof shall not be brought to trial within 90~~150~~ days after such person's arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant or a continuance shall be ordered by the court under subsection (e).

(b) If any person charged with a crime and held to answer on an appearance bond shall not be brought to trial within 180 days after arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant, or a continuance shall be ordered by the court under subsection (e).

(c) If any trial scheduled within the time limitation prescribed by subsection (a) or (b) is delayed by the application of or at the request of the defendant, the trial shall be rescheduled within 90 days of the original trial deadline.

(d) After any trial date has been set within the time limitation prescribed by subsection (a), (b) or (c), if the defendant fails to appear for the trial or any pretrial hearing, and a bench warrant is ordered, the trial shall be rescheduled within 90 days after the defendant has appeared in court after apprehension or surrender on such warrant. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect.

(e) For those situations not otherwise covered by subsection (a), (b) or (c), the time for trial may be extended for any of the following reasons:

(1) The defendant is incompetent to stand trial. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled as soon as practicable and in any event within 90 days of such finding;

(2) a proceeding to determine the defendant's competency to stand trial is pending. If the defendant is subsequently found to be competent to stand trial, the trial shall be

scheduled as soon as practicable and in any event within 90 days of such finding. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect. The time that a decision is pending on competency shall never be counted against the state;

(3) there is material evidence which is unavailable; that reasonable efforts have been made to procure such evidence; and that there are reasonable grounds to believe that such evidence can be obtained and trial commenced within the next succeeding 90 days. Not more than one continuance may be granted the state on this ground, unless for good cause shown, where the original continuance was for less than 90 days, and the trial is commenced within 120 days from the original trial date; or

(4) because of other cases pending for trial, the court does not have sufficient time to commence the trial of the case within the time fixed for trial by this section. Not more than one continuance of not more than 30 days may be ordered upon this ground.

(f) In the event a mistrial is declared, a motion for new trial is granted or a conviction is reversed on appeal to the supreme court or court of appeals, the time limitations provided for herein shall commence to run from the date the mistrial is declared, the date a new trial is ordered or the date the mandate of the supreme court or court of appeals is filed in the district court.

(g) If a defendant, or defendant's attorney in consultation with the defendant, requests a delay and such delay is granted, the delay shall be charged to the defendant regardless of the reasons for making the request, unless there is prosecutorial misconduct related to such delay. If a delay is initially attributed to the defendant, but is subsequently charged to the state for any reason, such delay shall not be considered against the state under subsections (a), (b) or (c) and shall not be used as a ground for dismissing a case or for reversing a conviction unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

(h) When a scheduled trial is scheduled within the period allowed by subsections (a), (b) or (c) and is delayed because a party has made or filed a motion, or because the court raises a concern on its own, the time elapsing from the date of the making or filing of the motion, or the court's raising a concern, until the matter is resolved by court order shall not be considered when determining if a violation under subsections (a), (b) or (c) has occurred. If the resolution of such motion or concern by court order occurs at a time when less than 30 days remains under the provisions of subsections (a), (b) or (c), the time in which the defendant shall be brought to trial is extended 30 days from the date of the court order.

(i) If the state requests and is granted a delay for any reason provided in this statute, the time elapsing because of the order granting the delay shall not be subsequently counted against the state if an appellate court later determines that the district court erred by granting the state's request unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

Sec. 6. K.S.A. 22-3605 is hereby amended to read as follows: 22-3605. (a) Any appellate court may reverse, affirm or modify the judgment or order appealed from, or may order a new trial in the district court. In either case the cause must be remanded to the district court with proper instructions, together with the decision of the appellate

court, within the time and in the manner to be prescribed by rule of the supreme court.

(b) (1) In appeals from criminal actions and in other post-conviction actions arising from criminal prosecutions, the issuance of the mandate from the appellate court shall be automatically stayed when:

(A) A party files a notice with the appellate court that it intends to file a petition for writ of certiorari to the United States supreme court; and

(B) the time has not expired for filing such a petition under applicable United States supreme court rules.

(2) If the mandate from the appellate court has already been issued when a party files its notice, the mandate from the appellate court shall be withdrawn and stayed.

(3) The stay shall be lifted when:

(A) If a petition for writ of certiorari to the United States supreme court is filed, the court denies such petition or issues such court's final order following granting such petition; or

(B) if no petition for writ of certiorari to the United States supreme court is filed, the time expires for filing such petition under applicable United States supreme court rules.

Sec. 7. K.S.A. 22-2302 and 22-3605 and K.S.A. 2013 Supp. 21-5417, as amended by section 1 of 2014 Senate Bill No. 256, 21-6329, as amended by section 8 of 2014 Senate Bill No. 256, 22-2502 and 22-3402 are hereby repealed.";

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and (B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year ~~and~~; (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property

tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (3)(F), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27) ~~and~~, (28) ~~and~~ (29) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

If a denial is recommended, a statement of the controlling facts and law relied upon shall be included on the form.

(e) The county appraiser, after making such written recommendation, shall file the request for exemption and the recommendations of the county appraiser with the state court of tax appeals. (f) Upon receipt of the request for exemption, the court shall docket the same and notify the applicant and the county appraiser of such fact.

(g) After examination of the request for exemption; and the county appraiser's recommendation related thereto, the court may fix a time and place for hearing, and shall notify the applicant and the county appraiser of the time and place so fixed. In the event that taxes have been assessed against the subject property, no interest shall accrue on any unpaid tax for the year or years in question nor shall the unpaid tax be considered delinquent from the date the request is filed with the county appraiser until the expiration of 30 days after the court issued its order thereon. In the event the court determines an application for exemption is without merit and filed in bad faith to delay the due date of the tax, the tax shall be considered delinquent as of the date the tax would have been due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, and interest shall accrue as prescribed therein.

(j) In the event the court grants the initial request for exemption, the same shall be effective beginning with the date of first exempt use except that, with respect to property the construction of which commenced not to exceed 24 months prior to the date of first exempt use, the same shall be effective beginning with the date of commencement of construction.

(k) In conjunction with its authority to grant exemptions, the court shall have the authority to abate all unpaid taxes that have accrued from and since the effective date of the exemption. Sec. 5. K.S.A. 2013 Supp. 39-709, as amended by section 2 of 2014 Senate Bill No. 254, is hereby amended to read as follows: 39-709. (a) *General eligibility requirements for assistance for which federal moneys are expended.* Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility for aid for families with dependent children, for food stamp assistance and for any other assistance provided through the Kansas department for children and families under which federal moneys are expended, the secretary for children and families shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance.

(2) Is a citizen of the United States or is an alien lawfully admitted to the United States and who is residing in the state of Kansas.

(b) *Assistance to families with dependent children.* Assistance may be granted under this act to any dependent child, or relative, subject to the general eligibility requirements as set out in subsection (a), who resides in the state of Kansas or whose parent or other relative with whom the child is living resides in the state of Kansas. Such assistance shall be known as aid to families with dependent children. Where husband and wife are living together both shall register for work under the program requirements for aid to families with dependent children in accordance with criteria and guidelines prescribed by rules and regulations of the secretary.

(c) *Aid to families with dependent children; assignment of support rights and limited power of attorney.* By applying for or receiving aid to families with dependent children such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The

assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving aid to families with dependent children, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(d) *Eligibility requirements for general assistance, the cost of which is not shared by the federal government.* (1) General assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d).

(A) To qualify for general assistance in any form a needy person must have insufficient income or resources to provide a reasonable subsistence compatible with decency and health and, except as provided for transitional assistance, be a member of a family in which a minor child or a pregnant woman resides or be unable to engage in employment. The secretary shall adopt rules and regulations prescribing criteria for establishing when a minor child may be considered to be living with a family and whether a person is able to engage in employment, including such factors as age or physical or mental condition. Eligibility for general assistance, other than transitional assistance, is limited to families in which a minor child or a pregnant woman resides or to an adult or family in which all legally responsible family members are unable to engage in employment. Where a husband and wife are living together the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary in determining need of any applicant for or recipient of general assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of general assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or a minor stepchild if the stepchild is living with such individual. In determining the need of an individual, the secretary may provide for income and resource exemptions.

(B) To qualify for general assistance in any form a needy person must be a citizen of the United States or an alien lawfully admitted to the United States and must be residing in the state of Kansas.

(2) General assistance in the form of transitional assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d), but who do not meet the criteria prescribed by rules and regulations of the secretary relating to inability to engage in employment or are not a member of a family in which a minor or a pregnant woman resides.

(3) In addition to the other requirements prescribed under this subsection (d), the secretary shall adopt rules and regulations which establish community work experience

program requirements for eligibility for the receipt of general assistance in any form and which establish penalties to be imposed when a work assignment under a community work experience program requirement is not completed without good cause. The secretary may adopt rules and regulations establishing exemptions from any such community work experience program requirements. A first time failure to complete such a work assignment requirement shall result in ineligibility to receive general assistance for a period fixed by such rules and regulations of not more than three calendar months. A subsequent failure to complete such a work assignment requirement shall result in a period fixed by such rules and regulations of ineligibility of not more than six calendar months.

(4) If any person is found guilty of the crime of theft under the provisions of K.S.A. 39-720, and amendments thereto, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the provisions of K.S.A. 39-720, and amendments thereto, or the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction. If any person is found guilty by a court of competent jurisdiction of any state other than the state of Kansas of a crime involving welfare fraud, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction.

(e) *Requirements for medical assistance for which federal moneys or state moneys or both are expended.* (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned

their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or

other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and

environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary of health and environment is authorized to enforce each claim provided for under this subsection (g). The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes,

without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(2) The director of the Kansas commission on veterans affairs office shall submit the report on or before the first day of the legislative session in 2015, and each year thereafter.

Sec. 9. K.S.A. 2013 Supp. 79-32,117, as amended by section 3 of 2014 Senate Bill No. 265, is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. (iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a

prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2013 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xv) of subsection (c) of K.S.A. 79-32,117, and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2013 Supp. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 2013 Supp. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xiii) of subsection (c), or if such amounts are not already included in the federal adjusted gross income.

Sec. 18. K.S.A. 2013 Supp. 79-3228 is hereby amended to read as follows: 79-3228. (a) For all taxable years ending prior to January 1, 2002, if any taxpayer, without intent to evade the tax imposed by this act, shall fail to file a return or pay the tax, if one is due, at the time required by or under the provisions of this act, but shall voluntarily file a correct return of income or pay the tax due within six months thereafter, there shall be added to the tax an additional amount equal to 10% of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was due until paid.

If after review of a return for any period included in the assessment, the secretary or secretary's designee determines that the underpayment of tax was due to the failure of the taxpayer to make a reasonable attempt to comply with the provisions of this act, such penalty shall be imposed for the period included in the assessment in the amount of 25% of the unpaid balance of tax due.

(c) For all taxable years ending after December 31, 2001, if any taxpayer fails to file a return or pay the tax if one is due, at the time required by or under the provisions of this act, there shall be added to the tax an additional amount equal to 1% of the unpaid balance of the tax due for each month or fraction thereof during which such failure continues, not exceeding 24% in the aggregate, plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was due until paid. If after review of a return for any period included in the assessment, the secretary or secretary's designee determines that the underpayment of tax was due to the failure of the taxpayer to make a reasonable attempt to comply with the provisions of this act, such penalty shall be imposed for the period included in the assessment in the amount of 25% of the unpaid balance of tax due.

(d) For all taxable years ending after December 31, 2013, if any taxpayer who has failed to file a return ~~or has filed an incorrect or insufficient return~~, and after notice from the director refuses or neglects within 20 days to file a proper return, the director shall determine the income of such taxpayer according to the best available information and assess the tax together with a penalty of 50% of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was originally due to the date of payment. director, and a notice of liability is sent to the taxpayer, no penalty shall be assessed under the provisions of this subsection with respect to any underpayment of income tax liability due to the adjustment if any such tax is paid within 30 days of such notice of liability. If any such tax is not paid within 30 days of original notice, the penalty provided under the provisions of this subsection shall apply.

(e) Any person, who with fraudulent intent, fails to pay any tax or to make, render or sign any return, or to supply any information, within the time required by or under the provisions of this act, shall be assessed a penalty equal to the amount of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was originally due to the date of payment.
