RE: Amendments to Notice Requirements for Abatement of Nuisances

DATE: January 25, 2010

Good morning Chairman Reitz and Members of the Senate Committee on Local Government. I am Whitney Damron and I appear before you today on behalf of the City of Topeka to request introduction of legislation that would allow a city to provide notice of a nuisance by first class mail instead of the current statutory requirement of notice provided by certified mail, return receipt requested.

Providing certified mail service to property owners cited under K.S.A. 12-1617e and K.S.A. 12-1617f is expensive and oftentimes not the most effective way to provide notice to the offending party.

The City of Topeka would respectfully request introduction of this bill that would provide cities with the opportunity to more effectively and economically address nuisance issues within our cities.

In closing, I would ask for the Committee's permission to work with the Revisor if any technical changes are needed for our bill draft, as when this document and the attachment was prepared, our City Attorney was unavailable to proof our proposed amendments.

Our proposed amendments are attached to this memorandum.

On behalf of the City of Topeka, I thank you for your consideration of our request.

Whitney Damron
