The meeting was called to order by Chairperson Corbin. He said the purpose of the committee was for action on **Substitute for SB 571**. This past weekend he had been encouraged to pass the bill out of committee and place it on the calendar. However, this did not change the fact that he continued to encourage all interested parties to negotiate an agreement, and to put this issue to rest.

Vice Chairperson Morris said a conference was planned for today to discuss this issue, but he too, thought it would be helpful to have this out of committee and on the calendar. Senator Morris moved that **Substitute for SB 571** be passed as amended. Senator Vratil seconded the motion. Motion carried.

The meeting adjourned at 8:20 a.m. No further meetings are scheduled for this session.
